Oral Judgment.

This is an elector's petition challenging the election of the respondent to the Lok-Sabha from Godhra Parliamentary Constituency No. 16. The election which is challenged was held at the time of the last general elections on February 18, 1967, and the result was declared on February 24, 1967. At this election for the Lok-Sabha seat the candidates were—the first respondent, sponsored by the Swatantra Party, Maneklal Gandhi, sponsored by the Congress Party, Babubhai Amin, sponsored by the Praja-Socialist Party and one Bipin Bhatt, who contested the election as a non-Party candidate. When the results of the elections were declared, it was found that the respondent won the election by a margin of nearly 24,449 votes over his nearest rival, Maneklal Gandhi; and 1,519 votes were rejected by the Returning Officer and the respondent having obtained the Highest number of votes in his favour was declared elected by the Returning Officer on February 24, 1967.

In this petition, the petitioner has prayed for a declaration that the election of the respondent to the Lok-Sabha from Godhra Parliamentary Constituency is void and ineffective and for further and other reliefs and costs of the petition. The petitioner has alleged in his petition that different types of corrupt practices were committed by the respondent or by some persons or by persons other than the respondent with his consent and the corrupt practices which are alleged are, firstly, that in contravention of the provisions of S. 123(7) of the Representation of the People Act, 1951 (hereinafter referred to as the Act) the respondent, his election agent and others had obtained and procured the assistance of three Police Patels in order to further the election prospects of the respondent. The second corrupt practice which has been alleged against the respondent is that he had incurred or authorized expenditure in contravention of the provisions of S. 77 of the Act. The third corrupt practice which is alleged against the respondent is that the election agent of the respondent committed an offence of bribery by offering and paying a sum of Rs. 1,500 to one Jesingbhai Hemabhai Maliwad, who was a duly nominated candidate for the Gujarat State Legislative Assembly seat from Salia Constituency. The area of Salia Constituency is included in the larger area covered by Godhra Parliamentary Constituency; and Jesingbhai Hemabhai Maliwad was the candidate sponsored by the Praja Socialist Party and within the time permitted by law he had withdrawn his candidature; and the allegation against the respondent is that contrary to the provisions of S. 123(1)(A)(a) of the Act, gratification was offered and paid in order to induce the said Jesingbhai Hemabhai Maliwad not to stand as a candidate at this election. It is also alleged against the respondent that he and his agents and his workers utilized the pictorial representation of Gandhiji in order to canvass votes and it is, therefore, alleged that there was an appeal by the respondent or his agents or by other persons with the consent of the respondent to vote for the Swatantra Party candidates by use of national symbol, viz., pictorial representation of Gandhiji; and in this connection it has been contended on behalf of the petitioner that the pictorial representation of Gandhiji is a national symbol or emblem and that such use or appeal was made for the furtherance of the prospects of the election of the respondent and for prejudicially affecting the election of the candidate sponsored by the Congress Party.

In his Written Statement the respondent has denied the different allegations of facts and he has also raised certain technical contentions. For the purposes of this judgment, I need only refer to the technical contention which has been relied upon even at the stage of arguments before me viz., that because of the non-joinder of Jesingbhai Hemabhai Maliwad as a Party-Respondent in this petition, there is a fatal non-joinder so far as S. 86 read with S. 82 of the Act is concerned and, therefore, on the ground of non-joinder of Jesingbhai Hemabhai Maliwad the petition is liable to be dismissed. The other technical objections do not require mention at this stage.

On the rival contentions of the parties, the following issues were raised:—

- (1) Whether the petition is barred by limitation?
- (2) Whether the petition fails to comply with the provisions of Ss. 81, 82 or 83 of the Representation of the People Act, 1951? If yes, whether the petition is maintainable?

- (3) Whether the petition is signed and verified as required by law?
- (4) Whether the affidavit in support of the allegations of corrupt practice is in accordance with law?
- (5) Whether Jesingbhai Hemabhai, referred to in para 14 of the Written Statement is a necessary party to this petition? If so, what is the effect of non-joinder of Jesingbhai Hemabhai to this petition?
- (6) Whether the petitioner proves that the respondent or his agent or any other person named in the petition, with the consent of the respondent or his election agent obtained or produced or abetted or attempted to obtain or procure any assistance of any person named in the petition and in the service of the Government and belonging to any of the classes mentioned in S. 123(7) of the Act? Whether the petitioner proves that Punabhai Patel referred to in para 7 of the petition, or Kalubhai Haribhai referred to in para 10 of the petition or Shanaji Punaji, referred to in para 13 of the petition, was a person in the service of the Government and belonging to any of the classes mentioned in S. 123 (7) of the Act? Whether the Petitioner proves that the respondent or his election agent or any other person named in the petition with the consent of the respondent or his election agent obtained or procured or abetted or attempted to obtain or procure any assistance from Punabhai Patel, Kalubhai Haribhai or Shanaji Punaji for the furtherance of the prospects of the respondent's election?
- (7) Whether the petitioner proves that the pictorial representation of the figure of Mahatma Gandhi is a national symbol? Whether the petitioner proves that the respondent or his agent or any other person named in the petition with the consent of the respondent or his election agent made use of such national symbol or appealed to such national symbol for the furtherance of the prospects of the respondent's election or for prejudicially affecting the election of the candidate supported by the Congress Party?
- (8) Whether the petitioner proves that the respondent incurred or authorized incurring of expenditure in contravention of S. 77 of the Representation of the People Act?
- (9) Whether the petitioner proves that the respondent or his agent or any other person named in the petition with the consent of the respondent or his election agent offered or promised to pay to Jesingbhai Hemabhai a sum of Rs. 1,500 or any other amount with the object directly or indirectly of inducing the said Jesingbhai Hemabhai to withdraw from being a candidate at the State Legislative Assembly Election from Salia Constituency in Godhra District?
- (10) What relief, if any, the petitioner is entitled to?
- (11) What orders?

When the matter reached hearing before me on January 29, 1968, Mr. Raval, on behalf of the respondent stated that he did not wish to press issues Nos. 1, 3 and 4; and Mr. Daru, on behalf of the petitioner stated at that time that in view of the judgment delivered by me in Election Petition No. 24 of 1967, on October 23, 1967, he did not wish to urge any arguments or lead any evidence on issue No. 7; and, therefore, no evidence has been led nor have any arguments been advanced before me regarding issue No. 7. As regards issue No. 8 regarding the incurring or authorizing of expenditure in contravention of the provisions of S. 77 of the Act, on January 30, 1968, when the Court assembled for the day, Mr. Daru, on behalf of the petitioner, informed me that he did not wish to press issue No. 8 any longer and, therefore, he has not led any further evidence after that stage so far as issue No. 8 is concerned and no arguments have been advanced before me as regards issue No. 8. As regards issue No. 9, regarding the offer of Rs. 1,500 to Jesingbhai Hemabhai Maliwad and the payment of that sum of money to Jesingbhai Hemabhai Maliwad, some evidence was led on behalf of the petitioner and two witnesses, viz., Mavsing Kalabhai Parmar, Petitioner's Witness No. 14; and Jesingbhai Hemabhai Maliwad, Petitioner's Witness No. 20, were examined. After leading the evidence of these two witnesses, though the issue has not been in terms given up, no arguments have been advanced on behalf of the petitioner regarding this particular allegation of bribery under S. 123(1) of the Act; and Mr. Daru has very wisely not addressed any arguments on that point. In view of the evidence of Jesingbhai Hemabhai Maliwad, who has clearly denied having been offered or paid any sum for withdrawing his candidature and

in view of the fact that Jesingbhai has not been declared a hostile witness, it is clear that the petitioner's case regarding this allegation of bribery could never have been established. Mavsing's evidence in view of the contradictions brought on record also does not inspire any confidence and, therefore, very wisely no arguments have been advanced before me regarding issue No. 9.

Under these circumstances, the only issues which survive for my consideration at the present stage are issues Nos. 2, 5 and 6, rest of the issues having been either expressly given up or not pressed at the stage of arguments before me in view of the evidence already recorded in this case. So far as issues Nos. 2 and 5 are concerned, both these issues relate to the alleged defect in the petition on the ground of non-joinder of Jesingbhai Hemabhai Maliwad, as a Party-Respondent to this petition. It is to be borne in mind that the election which is challenged in the present proceedings is to the Lok-Sabha seat from Godhra Parliamentary Constituency. Jesingbhai Hemabhai Maliwad was not a candidate from this constituency. He was a candidate from Salia Constituency for the Gujarat State Legislative Assembly Seat. It is true that the area covered by Salia Assembly Constituency seat is included and is a part of the larger area covered by the Godhra Parliamentary Constituency and it is also true that at the time of the last general elections, the elections to the State Legislative Assembly and to the Parliament were held on one and the same day. Each elector had to cast his votes for the Parliamentary Constituency as well as for the State Legislative Assembly Seat on one and the same day but the elections were to different legislative bodies and the constituencies were not identical. It is well-settled law that if there are any allegations of corrupt practice against any candidate, he must be joined as a party to the petition and in view of the decision of the Supreme Court in *K. Kamaraja Nadar v. Kunju Thevar*, A.I.R. 1958 S.C. 687, it is clear that even a person who has withdrawn his candidature within the time permitted by law, is a candidate so far as the provisions of S. 82(b) of the Act are concerned. By S. 82 of the Act provision is made regarding the parties to the petition and S. 82 provides that a petitioner shall join as respondents to his petition all the contesting candidates other than the petitioner; and where a declaration that the election of all or any of the candidates was void is sought all the returned candidates are required to be joined as Party-Respondents under cl. (a) of S. 82. Then cl. (b) provides:—

“A petitioner shall join as respondents to his petition any other candidate against whom allegations of any corrupt practice are made in the petition.”.

Now, the words: “any other candidate” occurring in sub-section (b) of S. 82 clearly indicates that the candidates other than those who are referred to in sub-section (a) and against whom allegations of any corrupt practice are made must be joined as party-respondents in every election petition. The provisions of S. 82 (b) are not to be read in isolation and they must be read in the context of sub-section (a) of that section and when the two sub-sections are read together, it is clear that the candidates who are required to be joined must be candidates either contesting or non-contesting, who were candidates for the election, which is sought to be challenged. Under S. 79(b), a candidate means a person who has been or claims to be duly nominated as a candidate at any election and any such person shall be deemed to have been a candidate as from the time when, with the election in prospect, he began to hold himself out as a prospective candidate. It is, therefore, clear that though Jesingbhai Hemabhai Maliwad was a candidate within the meaning of S. 79(b) of the Act, he was a candidate for the Gujarat State Legislative Assembly Seat from Salia Constituency and he was not a candidate for the Lok-Sabha Seat from Godhra Parliamentary Constituency. Under these circumstances, he cannot be said to be a candidate so far as the respondent, who is a returned candidate from Godhra Parliamentary Constituency is concerned. The election which is challenged and the declaration in respect of which is sought for in this petition is the election to the Godhra Parliamentary Constituency and not the election from Salia Legislative Assembly Constituency. Under these circumstances, it is clear that Jesingbhai Hemabhai Maliwad, against whom there are allegations of having agreed to receive the sum of Rs. 1,500 for withdrawal of his candidature and further of having received the payment of that sum as a consideration for withdrawal of his candidature (and those are allegations of corrupt practice under S. 123(1) (B) (a) was not a necessary party to this petition. As a matter of fact he was not at all a proper party to this petition, the two Constituencies being entirely different. Hence these two issues Nos. 2 and 5 must be answered against the respondent. I must

say at this stage in fairness to Mr. Nanavati, the learned counsel for the respondent, that though he has not given up these points, he has not seriously canvassed these points before me.

That leaves now only the question as regards issue No. 6; and that is regarding the use of the services of the three Police Patels for the election campaign of the respondent.

In this connection, it is alleged that the respondent or his election agent or some person named in the petition with the consent of the respondent or his election agent obtained or procured the assistance from Punabhai Pratapsing Patel, Kalubhai Haribhai and Shanaji Punajaji; and that this was done for the furtherance of the prospects of the respondent's election.

It is not in dispute before me that at the relevant time Punabhai Pratapsing Patel of Chandpur village in Godhra Taluka, Kalubhai Haribhai of Parabia village also in Godhra Taluka and Shanaji Punajaji of Mava village in Malpur Taluka of Sabarkantha District, were the Police Patels of their respective villages. Evidence has been brought on the record in the shape of Exs. "A" and "F", to show that Punabhai Pratapsing and Kalubhai Haribhai were appointed Police Patels of Chandpur and Parabia villages respectively and Shanaji Punaji had been appointed Police Patel of Nava village. It is also not in dispute before me that Punabhai Pratapsing acted as the Polling Agent of the respondent at Chandpur Polling Station. It is also not in dispute before me that Kalubhai Haribhai acted as the polling Agent of the respondent at Morwa-Hadap village, where there was a Polling Station at the Guparati Primary School located in that village, and it is also not in dispute before me that Shanaji Punajaji Damor acted as the Polling Agent of the respondent at Masadra village Polling Station in Sabarkantha District. It is common ground between the parties that several villages of Banaskantha District were included in the area covered by Godhra Parliamentary Constituency and villages of Nava, and Masadra were included in the area of Godhra Parliamentary Constituency. Exhibits "H" and "I" on the record of this case, are the forms appointing Kalubhai Haribhai as the Polling Agent of the respondent at Morwa-Hadap Gujarati School Polling Station and Punabhai Pratapsing as the Polling Agent of the respondent at Chandpur Polling Station respectively; Ex. "M" is the form appointing Shanaji Punajaji Damor as the Polling Agent of the respondent at Masadra; and each of these three forms, Exs. "H", "I" and "M" bear the rubber-stamp impression of the signature of the respondent.

The questions that arise for my consideration in connection with issue No. 6 are partly questions of law and partly questions of fact. The first question that I have to consider in this connection is whether a Police Patel functioning under the Bombay Village Police Act, 1867, is a member of the Police Forces within the meaning of S.123(7)(d) of the Act; secondly, whether a police patel acting as a polling agent at a polling station, which is situated within the area of his jurisdiction can be said to further the election prospects of a candidate for whom he is acting as a polling agent and whether the candidate so appointing him as his polling agent can be said to obtain or procure the assistance of a Government servant within the categories set out in S.123(7) of the Act for the purpose of the prospects of his own election; and thirdly, whether there was any procuring or obtaining of the assistance of Punabhai Pratapsing, Police Patel of Chandpur, Kalubhai Haribhai, Police Patel of Parabia and Shanaji Punajaji Damor, Police Patel of Nava village, for the furtherance of the election prospects of the respondent.

It is clear that out of these three questions unless and until the first question is decided in favour of the petitioner, questions Nos. 2 and 3 are not required to be answered, if it is held that a Police Patel functioning under the provisions of the Bombay village Police Act of 1867, is not a member of the Police Forces, other two questions regarding issue No. 6 are not required to be answered at all and, therefore, I will take up question No. 1 first.

The words of S. 123(7)(d) of the Act are "members of the Police forces"; and it is useful in this connection to also refer to the provisions of cl. (f) of S. 123(7) of the Act, which refers to revenue officers other than village revenue officers known as lambardars, malguzars, Patels, deshmukhs or by any other name, whose duty is to collect land revenue and who are remunerated by a share of, or commission on, the amount of land revenue collected by them but who do not discharge any police functions. I may mention that by the Explanation to s. 123, it has been provided that for the purposes of cl. (7) of s. 123 of the Act a person shall be deemed to assist in the furtherance of the prospects of a candidate's election if

he acts as an election agent of that candidate. Prior to the amendment by s. 53 of the Representation of the People (Amendment) Act, 1966, after the words "election agent", the words "or a polling agent or a counting agent" were to be found in cl. (2), of Explanation to S. 123(7) of the Act; but as a result of this amendment, the words "or a polling agent or a counting agent" have been omitted. The result, therefore, is that prior to the amendment of 1966, a person acting as a Polling Agent of a candidate was to be deemed to assist in the furtherance of the prospects of that candidate's election under S. 123(7) of the Act; but after the amendment this deeming clause no longer applies to a polling agent.

At this stage, it is necessary to set out a bit of Legislative history. So far as the Bombay Presidency was concerned, the first legal provision regarding police legislation in Bombay and Sind was Bombay Regulation No. XII of 1827. It was a regulation for the establishment of a system of police throughout the zillas subordinate to Bombay for providing rules for its administration and for defining the duties and powers of all police authorities and servants. Bombay Regulation XII of 1827, governed all police establishments whether of village police or of police in districts or urban areas in any part of Zillas subordinate to the Presidency of Bombay. Thereafter the Central Legislature passed the police Act, being India Act V of 1861. Under S. 46 of that Act it was provided that Act was not to take effect by its own operation in any Presidency, state or place but the State Government by an order to be published in the official gazette should extend the whole or any part of that Act to any Presidency, State or place. No such Notification or order was issued by the Government or Bombay and India Act V of 1861 does not appear to have been brought into force in the Presidency of Bombay. However, in Bombay Presidency in 1867 two enactments were passed; one was the Bombay District Police Act being Bombay Act No. 7 of 1867; and as pointed out by K. S. Gupte in his commentary on the Bombay District Police Act, at page 10 of 1942 Edition, this Act (Bombay District police Act VII of 1867) was nothing more than an application of the Government of India Police Act (V of 1861) to the Presidency with such modifications as the local circumstances required. In the very same year, the Bombay Legislature also passed Bombay village Panchayat Act (Bom. Act VIII of 1867); and thus a distinction was made from 1867 onwards between village police and District Police. The Bombay District Police Act of 1867 was repealed and replaced by Bombay District Police Act (Bombay Act IV of 1890) in 1902, the City of Bombay Police Act 1902 was passed for the town and island of Bombay. Thereafter in 1951, the Bombay Police Act, 1951, was enacted in order to consolidate and amend the law for the regulation of the Police Force in the State of Bombay. The preamble to the Bombay Police Act, 1951 states that particular statute was being enacted in order to amalgamate the District Police Forces and Greater Bombay Police Forces; and after 1956, the Police Forces of Saurashtra, Kutch, Hyderabad and Vidarbha Regions were to be common Forces and to introduce uniform methods regarding the working and control of the said Forces throughout the State and by the Bombay Police Act of 1951 the Bombay District Police Act, 1890 and the City of Bombay Police Act, 1902 were repealed because instead of the separate police forces governed by those two enactments, one common police force which was to be governed by the Bombay Police Act, 1951, was proposed to be set up. By S. 3 of the Bombay Police Act 1951, as adopted and applied to the State of Gujarat, it has been provided that there shall be one police force as a whole in the State of Gujarat, section 168 of the Bombay Police Act, 1951, provides as follows:—

"Nothing in this Act Shall affect the provisions of the Bombay Village Police Act, 1867

or any enactment which may be made in regard to the reserve Police.

Therefore though by S. 3, provision is made that there shall be one Police Force for the whole of the State of Gujarat, the operation of the provisions of Bombay Village Police Act, 1867, or any enactment which may be made in regard to the reserve Police has been saved by S. 16 of the Bombay Police Act 1951.

Mr. Nanavati, on behalf of the respondent, has contended before me that when the Parliament used the words; "members of the Police forces" in S. 123(7)(d) of the Act, it was using a well-known terms of legislative parlance; and according to this contention, the words "police forces" in cl. (d) refer only to such forces as are set up by a special legislative enactment in that behalf by any competent legislative authority. He has rightly pointed out that both under the Government of India Act, 1935 and also under the Constitution, "Police" is a subject in the

Provincial List so far as Government of India Act, 1935, was concerned; and in the State List so far as the Constitution is concerned; and the contention is that unless a force has in fact been set up by a legislative enactment providing for the constitution, organization and discipline of a police force, it cannot be said to be a police force for the purposes of cl. (d) of S. 123(7) of the Act. In this connection Mr. Nanavati has drawn my attention to the fact that by S. 2 of the Police Act, 1861 (India Act V of 1861), the entire police establishment under the State Government for the purposes of that Act is to be deemed one police force and is to be formally enrolled and consists of such number of officers and men and has to be constituted in such manner as shall from time to time be ordered by the State Government; and under the definition S. 1, the word "police" includes all persons who shall be enrolled under the Act V of 1861). Under S. 4 of the Bombay District Police Act 1890, it was provided as follows:—

"In each district of the Presidency of Bombay to which this Act extends, the Provincial Government may establish and entertain a Police force of such number in the several ranks and having such an organization and such duties, rights and authority as are hereinafter prescribed and provided for."

In the Bombay Police Act, 1951 by S. 3, as pointed out earlier, it has been provided that there shall be one police force for the whole of the State of Gujarat; and provision is made by S. 5 for the Constitution of that police force and there are also provisions for organization and discipline of that police force under the Bombay Act, 1951.

The Bombay Legislature also passed another Act called the Bombay State Reserve Police Force Act, 1951 (Bom. Act XXXVIII of 1951) and S. 3 of that Act provided that in addition to the Police Forces constituted under the Bombay Police Act, 1951, the State Government may establish and maintain an armed reserve police force known as the State Reserve Police Force; and the State Reserve Police Force has to be established and maintained in such manner as may be prescribed. Under Bom. Act XXXVIII of 1951, provision is also made for the organization of the State Reserve Police Force into groups, division, battalions and platoons. There is also provision made in this Act for the State Reserve Police Force regarding the appointment of officers and maintenance of discipline of this Reserve Police Force.

Mr. Nanavati, on behalf of the respondent, has also drawn my attention to the fact that for the better protection and security of the railway properties, India Parliament has passed an Act called Railway Protection Act, 1957, which is an Act to provide for the constitution and maintenance of a force called the Railway Protection Force; and S. 3 of that Act provides that there shall be constituted and maintained by the Central Government a force to be called the Railway Protection Force for the better protection and security of the railway properties. It is clear that protection and security of property is one of the police functions and this Railway Protection Force has been set up under the provisions of the Railway protection Force Act, 1957, to discharge those police functions, so far as railway property is concerned. In this case also by a legislative enactment a special force has been constituted and provision has been made for the organization and discipline of that special force under the Railway Protection Force Act, 1957.

12th February, 1968.

On the basis of these different enactments, Mr. Nanavati urged before me that the words: "members of the police forces" are well-recognised in legislative parlance and, therefore, when the Legislature uses the words "members of the Police forces" in S. 123(7) (d) of the Act, it must be deemed to refer to a police force constituted and organized by a special enactment of the Legislature which in terms constitutes such a police force and for which order and discipline are provided for by such a statute. He has contended that in the Bombay Village Police Act, 1867, there are no words constituting a police force known as Bombay Village Police Force but it merely provides for discharge of certain duties by the Police Patels appointed under the Act. This, if one may say so, is a narrower interpretation which is sought to be placed on the words "members of the police forces". On the other hand, the wider interpretation which has been contended for by Mr. Daru, on behalf of the petitioner, is that the Court should consider the aspect from the point of view of the duties which the Police Patels are called upon to discharge and also from the point of view of the functions which such Police Patels perform. In my opinion, the wider view, which Mr. Daru

has contended for, should be placed upon the words: "members of the police forces" occurring in S. 123(7) (d) of the Act. In the first place, the Legislature in enacting S. 123(7) has taken care to see that officers of the Government, some of whom may be even in a low position like the Jawan serving in one of the armed forces of the Union, should not be called upon to render assistance for furtherance of the prospects of any candidate's election and if such assistance has been obtained or procured contrary to the provisions of S. 123(7), then it amounts to a corrupt practice. Clause (f) of S. 123(7) also comes in aid for interpretation of cl. (d). Under cl. (f), assistance under the circumstances set out in the main body of S. 123(7) of revenue officers is sought to be hit; but from this category of revenue officers village revenue officers known as lambardars, malguzars, patels, deshmukhs or by any other name, whose duty is to collect land revenue and who are remunerated by a share of, or commission on, the amount of land revenue collected by them, but who do not discharge any police functions, are exempted. Therefore, the assistance rendered by those village revenue officers who are remunerated by a share or commission on the amount of land revenue will not fall within the mischief of S. 123(7) of the Act. Even in respect of such village revenue officers, who are remunerated by a share of or commission on the amount of land revenue, it has been provided by cl. (f) that if they discharge any police functions, then they are not exempted from the category of revenue officers and any assistance rendered by a village revenue officer who is remunerated by a share of, or commission on, the amount of land revenue, and who also discharges police functions, if other conditions of S. 123(7) are satisfied will amount to a corrupt practice. It is, therefore, clear that the vitiating factor so far as S. 123(7) (f) is concerned is the discharging of any police functions, but for that discharge of police function village revenue officers, who are remunerated by a share of, or commission on, the amount of land revenue collected by them, will not come within the category of revenue officers whose assistance is sought to be hit by S. 123(7). If in the case of a village revenue officer, whose assistance would otherwise be unobjectionable, discharging of any police functions by such village revenue officer becomes objectionable, then it is clear that it is the discharging of police functions which is the vitiating factor. It would rather lead to startling results if the discharge of police functions by a village revenue officer, who is remunerated by a share of, or commission on, the amount of land revenue collected by him, would be objectionable if he also happens to discharge police functions; but if a Police Patel who does not discharge any other revenue functions but discharges the same kind of duties as the village revenue officer referred to in cl. (f), so far as police functions are concerned, would not fall within cl. (d). A person who has been appointed a Police Patel *simpliciter* cannot fall within cl. (f) of S. 123(7): but at the same time so far as the police functions are concerned, both a police Patel *simpliciter* and a village revenue Patel, who is remunerated by a share of, or commission on, the amount of land revenue collected by him, and who also discharges police functions, would be hit by S. 123(7) (f). Under these circumstances, my conclusion that the wider meaning should be placed on the phrase: "members of the police forces", gets some support from this interpretation of S. 123(7) (f) of the Act.

I may also point out that the word "forces" occurring in S. 123(7) (d), means any organized group of persons, according to the dictionary meaning. In the Shorter Oxford Dictionary, the word "force" in this sense means "A body of armed men, an army. In pl. the troops of soldiers composing fighting strength of a kingdom or of a commander. A body of police, the force-policemen collectively". According to Webster's New Twentieth Century Dictionary, Second Edition, the word "force", when used as a noun means "any organized group of soldiers, sailors etc.; any group of people organized for some activity; as a sales force". The dictionary meaning also throws some light on the correct interpretation to be placed on the words: "members of the police forces" occurring in S. 123(7) (d) of the Act.

In view of the mischief which is sought to be prevented by S. 123(7) and in view of the provisions of S. 123(7) (f) and also in view of the dictionary meaning of the word "force", the words: "members of the police forces", in my opinion apply to all persons who are discharging police functions and who are organized in a body as such. In view of this interpretation of S. 123(7) (d), I will now examine the provisions of the Bombay Village Police Act, 1867, in order to see whether a Police Patel functioning under that Act falls within the category of "members of police forces" as thus interpreted. By S. 3 of that Act it has been provided that the administration of the village-police throughout each district shall, under the control and direction of the State Government be exercised by

the Magistrate of the district, who may, with the sanction of the State Government, delegate any portion thereof to any Magistrate with full powers having also revenue charge as an Assistant or Deputy Collector. Sub-section (1) of S. 5 of that Act provides that the village-police in each village shall be under the charge of such person as the State Government shall appoint in writing to be Police Patel, and unless the State Government owing to the size of the village or other good cause, see fit to separate the appointments the State Government shall appoint the person discharging the duties of Revenue-patel to be Police Patel; and sub-section (2) of S. 5, provides for appointment of Police Patels. Section 6 lays down that the Police Patel shall, subject to the orders of the Magistrate of the District, act under the orders of any other Executive Magistrate within whose local Jurisdiction his village is situated, whom he shall furnish with any returns or information called for, and keep constantly informed as to the state of crime and all matters concerned with the village-police, the health and general conditions of the community in his village. He shall also afford all Police Officers every assistance in his power when called upon by them for assistance in the performance of their duty. He shall further promptly obey and execute all orders and warrants issued to him by a Magistrate or Police Officer, shall collect and communicate to the Police Officer in charge of the District Police-Station within the limits of which the village is situated, intelligence affecting the public peace, shall prevent within the limits of his village the commission offences and public nuisances, and shall detect and bring offenders therein to justice. Under S. 8, the Police Patel has to dispose of the village-establishment so as to afford the utmost possible security against robbery, breach of the peace and acts injurious to the public and to the village community, and shall report to the Executive Magistrate to whose jurisdiction he is immediately subordinate all instances of misconduct or neglect committed by any member of the said establishment. Section 9 provides for penalties for neglect of duty by any Police Patel; and S. 10 provides that if a crime shall have been committed within the limits of the village, and the perpetrator of the crime has escaped or is not known the Police Patel shall forward immediate information to the Police Officer in charge of the District Police Station within the limits of which his village is situated, and shall himself proceed to investigate the matter, obtaining all procurable evidence relating to it which he shall forward to the said Officer. Under S. 11, the Police Patel has to hold an inquest in case of unnatural or sudden death or a corpse found within his village. Section 12 provides that the police Patel should apprehend the person, whom he believes, has committed serious offence and should forward such person to the Police Station within the limits of which his village is situated. Section 13 provides that the Police Patel in making any inquiry coming within the scope of his duty shall have authority to call and examine witnesses, and record their statements, and to search for concealed articles, taking care that no search be made in a dwelling-house between sunset and sunrise without urgent occasion. He shall also have authority, in carrying out any search or any pursuit of supposed criminals, to enter and act within the limits of other villages, being bound however to give immediate information to the Police Patel thereof; and under S. 19, the Police Patel shall take charge of all unclaimed property found within his village, or made over to him under the provisions of the Bombay Police Act, 1951, and shall forthwith make a report to the Executive Magistrate to whom he is subordinate, and act thereafter as he may be directed by the said Magistrate, unless the property be of a description coming within the provisions of the Cattle-trespass Act, 1871, or any law corresponding to that Act in force, which case the Police Patel shall be guided by that enactment or law.

This summary of the relevant provisions of the Bombay Village Police Act (VIII of 1867), makes it clear that the Police Patel has the power to investigate to hold invest to record evidence and statements and also the power to apprehend suspected offenders. Under these circumstances, he discharges police functions when he functions as a Police Patel under the provisions of the Bombay Village Police Act, 1867. It is true that there is no section in this Act of 1867 constituting a separate police force of village police Patels are members. It is also true that the provisions which are made in this Act for maintenance of the discipline amongst the village police are not as strict as are to be found, for example, under the Bombay Police Act, 1951, or under the Bombay special reserve police Act, 1951 or under the Railway Protection Force Act, 1957. Though the discipline may not be as strict as is to be found in the case of other police forces, there is a provision for the maintenance of the discipline of the village Police and merely on the ground that the discipline provided for under the Bombay Village Police Act, 1867, is not as strict as in the case of ordinary police or in the case of the State Reserve Police or in the Railway Protection Force, it does not mean that

the police Patels are any the less members of a police force. They are discharging police functions and are permitted within certain limits to investigate and to carry on the inquiry and collect evidence and carry on investigation.

Under these circumstances, I have come to the conclusion that within the wider meaning to be attached to the words "members of the police forces", a Police Patel appointed and functioning under the Bombay Village Police Act, 1887, is a member of the Police forces.

That takes me to the next question which is to be considered in connection with S. 123(7) (d) of the Act, *viz.*, whether a Police Patel functioning as a Polling Agent at a Polling Station within his own jurisdiction can be said to be rendering assistance for the furtherance of the election prospects, of any candidate.

In this connection Mr. Raru, on behalf of the petitioner, drew my attention to the decision of the Supreme Court in *Dr. Y. S. Parmar v. Hira Singh*, A.I.R. 1959 S.C. 244. It must be pointed out that at the time when the Supreme Court delivered that judgment, the statutory presumption under Explanation (2) to S.123(7) was still there, with the result that if any person worked as the Polling Agent of a candidate, he was to be deemed to render assistance to further the prospects of the election of that candidate. In *Dr. Y. S. Parmar's* (*supra*) the Supreme Court has laid down that all that S. 123 requires is that assistance shall be procured for furthering the election. Where the explanation applies, if a candidate has appointed a person to act as his polling agent and he accordingly does so act, a statutory presumption arises that the candidate thereby procured that person's assistance in furtherance of the prospects of his election, and this irrespective of whether he intended to procure such assistance or not. Therefore, in the case of the appointment of a polling agent which comes within the explanation the intention of the candidate in procuring the assistance is irrelevant. Similarly the knowledge of the candidate whether the person, whose service as his polling agent he has procured, is a member of the armed forces or any of the other specified class of Government servants or not, is equally irrelevant and the Supreme Court has further held that no question of *mens rea* or intention or knowledge of the candidate would arise in such cases. It must be borne in mind that after the amendment of 1966, the deeming provision of Explanation (2) to S. 123(7) does not apply in case of polling agents or counting agents; and because of this statutory amendment, Mr. Daru, on behalf of the petitioner, has relied on two other previous decisions of the Supreme Court. It is true that what happened in *Dr. Y. S. Parmar's* case was that the candidate concerned signed a very large number of the forms prescribed by the rules framed under the Act for appointing polling agents, in blank and without setting out therein the name of any polling agent, as he had not then been able to make up his mind in view of the large number of polling stations as to who would be his polling agents at the various polling stations and made over these forms to one Kalyan Singh, who passed on three of them to Kashmira Singh, having inserted therein the words "polling station No. 13, Sheopur". Kashmira Singh filled in the name of Amar Singh as the polling agent in one of these forms on 25th May, 1957, the day of polling; and Amar Singh, happened to be a member of the Armed Forces of the Union; and in para 10 at page 247, A. K. Sarkar J. (as he then was), delivering the judgment of the Supreme Court observed:—

"It is true that neither the appellant nor Kalyan Singh, nor even Kashmira Singh knew at the date of the appointment of Amar Singh that he was a member of the armed forces but the point now raised by the learned Advocate-General is, in our view, none the less unsustainable. It over-looks the provisions of the second explanation...."

The contention which was repelled in para 10 was that procuring or obtaining by a candidate of any assistance for the furtherance of the prospects of his election from a person in the service of the Government as a member of the armed forces, would not amount to a corrupt practice unless that candidate knew that the person was in such Government service. This decision in *Dr. Y. S. Parmar's* case would apply to the facts of the present case in so far as the respondent allowed a rubber-stamp impression of his signature to be put down on various forms for the appointment of polling agents and he allowed these forms to be taken away by the workers of the Swatantra Party so that the names of the different polling agents may be filled and the forms may be submitted to the appropriate Presiding Officers of the Polling Stations concerned; but the similarity of the present case and *Dr. Y. S. Parmar's* case does not go beyond that point.

In *Satya Dev V. Padam Dev.*, A.I.R. 1954 S.C. 587, the Supreme Court dealt with the provisions of S. 123(8) of the Act, which were equivalent to S. 123(7)

as it stands today. In that case, the Supreme Court held that mere appointment of a Government servant within any of the categories mentioned in that section as a polling agent did not *per se* contravene the provisions of S. 123(8) as it then stood; and then proceeded to observe:—

“Nor is there anything in the nature of the duties of a polling agent, which necessarily brings him within the prohibition enacted in that section. The duty of a polling agent is merely to identify the voter, and that could not by itself and without more, be said to further the election prospects of the candidate. So long as the polling agent confines himself to his work as such agent of merely identifying the voters, it cannot be said that S. 123(8) has, in any manner, been infringed.

It is argued for the appellant that leaving aside the world of theories and entering into the realm of practical politics, the appointment of a Government servant as polling agent by one of the candidates must result in the dice being loaded heavily against the other candidate and that a situation might be conceived in which the presence of a Government servant of rank and importance as polling agent of one of the candidates might prove to be a source of unfair election practices. But if that is established and if it is made out that the candidate or his agent had abused the right to appoint a Government servant as polling agent by exploiting the situation for furthering his election prospects, then the matter can be dealt with as an infringement of S. 123(8).”

This principle was affirmed by the Supreme Court when it dealt with the review of the above judgment; and the decision on the review application is reported in A.I.R. 1955 S.C. 5. At page 8, in para 10 of the report, Venkatarama Ayyar J., delivering the judgment of the Court, has observed:—

“Accordingly, we reaffirm the view taken by us that the appointment of a Government servant as polling agent does not, without more, contravene Section 123(8). It is scarcely necessary to repeat our observation in the original judgment that “if it is made out that the candidate or his agent had abused the right to appoint a Government servant as polling agent by exploiting the situation for furthering his election prospects, then the matter can be dealt with as an infringement of Section 123(8).”

I may point out that in the instant case there is no evidence to show that the first respondent or his election agent had abused the right to appoint a Government servant as a polling agent by exploiting the situation for furthering his election prospects. It is true that each of these three Polling Agents, viz., Punabhai Pratapsing of Chandpur, Kalubhai Haribhai of Parabia and Shanaji Punaji Damor of Nava Village, acted as a polling agent within the limits of his own jurisdiction as a Police Patel. But merely because he so acted, it cannot be said that something more which is required by the Supreme Court to bring the case within the mischief of S. 123(7), is also supplied. That something more must mean some action on the part of the polling agent or on the part of the candidate himself which would go to show that the Police Patels in question had done something more than merely acting as Polling Agent. Under these circumstances, the argument advanced on behalf of the petitioner on the basis of these two decisions of the Supreme Court cannot help him to advance his case further.

The last question that now remains to be considered is whether as a matter of fact the respondent obtained or procured any assistance of any one of the three Police Patels for furtherance of his election prospects. It is clear that so far as the word “procures” is concerned in S. 123(7) of the Act, it indicates that there must be some positive action on the part of the candidate concerned before he can be said to procure assistance of any person; but it is possible to argue that the word “obtains” in S. 123(7) means even the act of obtaining irrespective of any positive action on the part of the candidate or his election agent. In my opinion, the words; “obtains” and “procures” occurring in S. 123(7) mean one and the same thing viz., any positive action on the part of the candidate concerned in order to see that such assistance by any person in the prohibited categories was made available to him.

A Division Bench of the Allahabad High Court in *Moti Lal v. Manala Prasad*, A.I.R. 1958 Allahabad 794, has taken the same view as I am taking. At page 797 in para 11 of the report, it has been pointed out by the Division Bench as follows:—

“We think that the word ‘obtain’ in S. 123(7) has been used in the sense of the meaning which connotes ‘purpose’ or ‘effort’ behind the action of the candidate. The word has not been used in the sub-section in the sense of a mere passive receipt of assistance without the candidate being even conscious of the

fact that the assistance has been rendered. In order to bring the case under sub-section (7), it must be shown that the candidate did some effort or performed some purposeful act in order to get the assistance.

The receipt of assistance must be the result of either purpose or effort, which implies that the getting of the assistance should be the result of some conscious action of the candidate and not a mere passive happening of his getting the assistance. It further appears to be unreasonable to impute to the Legislature an intention that the election of a candidate should be declared to be void, even though the candidate had no knowledge even of the fact that some person in the service of Government had taken into his head to assist a particular candidate."

With respect, I agree with these observations made by the learned Judges of the Allahabad High Court. It is, therefore, clear that there must be some positive action or effort or purposes on the part of the respondent, before holding that the assistance rendered by the Police Patels in question was procured or obtained at the instance of the respondent.

Out of the three Police Patels in connection with whom allegations have been made in the petition, so far as Shanaji Punjabi Damor of village Nava is concerned, he himself has not been examined as a witness in this case; but petitioner's witness No. 19, Prabhashanker Shivram Upadhyay, has stated in his evidence that at the time of the last general elections, he himself was a polling agent of the Congress Party at the Polling Booth at Masadra. Masadra is situated in Sabarkantha District but it was included in Godhra Parliamentary Constituency according to this witness Prabhashanker, the Polling Agent on behalf of the Swatantra Party at Masadra Polling Booth was Shanaji Punjabi Damor of village Nava. According to Prabhashanker Nava Village and Andharivadi village were included in the area for which the polling booth was at Masadra. He had also deposed that he had seen Shanaji Punjabi Damor carrying on propaganda of the Swatantra Party at village Nava. That was the only occasion when he had seen Shanaji Punjabi Damor carrying on election propaganda of the Swatantra Party. He had heard Shanaji telling the electors at Nava to cast their votes for the Swatantra Party candidates and to bear the symbol of "Star" in mind when exercising their franchise. Apart from this evidence of Prabhashanker there is nothing on the record of this case which would go to show that the respondent had obtained or procured the assistance of Shanaji Punjabi Damor with a purpose or deliberate design to obtain the services of that Government servant for furthering his own election prospects. Under these circumstances, so far as Shanaji Punjabi Damor is concerned, it cannot be said that any assistance contrary to the provisions of S. 123(7) of the Act was obtained by the respondent for furtherance of his election prospects.

As regards Punabhai Pratapsing Patel and Kalubhai Haribhai Patel, the petitioner's case is that 9 or 10 days before the day of the poll, the respondent, Ramubhai Bhatia, who was the Swatantra Party candidate from Salia Constituency for the Legislative Assembly seat and one Kanubhai Talshi a Swatantra Party worker of Parabia village had gone to the House of Kalubhai Haribhai and Punabhai Pratapsing; and that it was at the instance of the respondent that these two persons, Kalubhai and Punabhai were appointed as Polling Agent. If one examines the evidence of Kanubhai Talshi, Petitioner's Witness No. 15, one finds that though in his examination-in-chief this witness Kanubhai says that he had accompanied the respondent and Ramubhai Bhatia to the house of Police Patel Kalubhai Haribhai of Parabia and also to the house of Police Patel, Punabhai Pratapsing of Chandpur, at the instance of Ramubhai Bhatia and the respondent, in his cross-examination considerable material was brought out, which would go to show that this witness Kanubhai Talshi could not be relied upon as a truthful witness, so far as this point was concerned. In his cross-examination it was elicited that an affidavit was sworn by him at the instance of the petitioner, Babulal Gandhi; and thereafter Kanubhai had handed over the affidavit to the petitioner. The affidavit was sworn before the Taluka Magistrate; and when called upon to do so, the learned counsel for the petitioner stated at the Bar that the affidavit was not with him in Court; and subsequently that affidavit has not been forthcoming. Thereafter, the Taluka Magistrate, before whom the affidavit was sworn, was examined as a witness and certain documents on his record were produced and marked for identification. Subsequently, a copy of the affidavit, which is also signed by Kanubhai was shown to him and he agreed that the statement "Y", contained correct statements; and thereafter that document "Y" was marked as Ex. No. 6. Now, this witness Kanubhai in this statement Ex. 6, which bears the date July 14, 1967, now where mentions that the respondent had asked either

Punabhai Pratapsing or Kalubhai Haribhai to carry on propaganda on behalf of the Swatantra Party; and then he has stated in Ex. 6 as to what happened at the Polling Station at Morwa-Hadap. In Ex. 6, Kanubhai has made no attempt to connect the respondent with the canvassing for the Swatantra Party by Kalubhai Haribhai and Punabhai Pratapsing. In view of the serious omissions which have come out between his deposition in Court, and Ex. 6, regarding the part which the respondent played in obtaining or procuring the assistance of the two Police Patels, his evidence cannot be relied upon and, therefore, unless there is some other corroboration forthcoming to his testimony, it would not be safe to rely on his word for holding that the respondent had procured or obtained the assistance of the two Police Patel.

Kalubhai Haribhai Petitioner's Witness No. 7, has also stated in his examination-in-chief that 9 or 10 days before the day of the poll, the respondent, Ramubhai Bhatia and Kanubhai Talshi had come to his house and he has also stated that Ramubhai told him that he would have to work as canvasser for the Swatantra Party candidate and he would also have to work as the polling agent for the Swatantra Party candidates. According to Kalubhai Haribhai, the respondent and Kanubhai were both present when Ramubhai Bhatia talked to him on these lines and after talking like this all the three of them left the village. This is the only part of his evidence by which Kalubhai Haribhai wants to depose to obtaining or procuring of assistance of this particular Police Patel by the respondent. Exhibit No. 7 is the statement, dated 14th July, 1967, it has been signed by Kalubhai Haribhai on July 14, 1967, before the Taluka Magistrate. He admits that apart from the portions underlined in blue pencil on the original document, the rest of the statements set out in Ex. No. 7 are correct. In Ex. No. 7 he has stated that before the date on which the first respondent appointed him as his polling agent and even afterwards he had carried on election work on behalf of Ramubhai Bhatia and the respondent in the villages of Parabia, Morwa-Hadap and surrounding villages at the instance of Ramubhai Bhatia and the respondent. Now, Kanubhai Talshi, whose evidence on this point cannot be relied upon, has not stated in Ex. 6 anything about the respondent asking Kalubhai Haribhai to carry on propaganda or election work on behalf of the Swatantra Party candidates. Moreover, the very fact that Kalubhai Haribhai swore an affidavit at the instance of the petitioner on or about July, 14, 1967, after the present Election Petition was filed, creates a doubt about the veracity of that witness. It appears from the record of this case that on 14th and 15th July, 1967, a number of persons were taken before the Taluka Magistrate at the instance of the petitioner and all of them were identified before the Taluka Magistrate by one Jugubhai Solanki, a Congress Party worker. Thus, after the present petition was filed and the written statement had been put in, an attempt was made by the petitioner to obtain these affidavits and to fix their versions with a view to see that in the trial of the present election petition, the evidence of those witnesses would be according to the sworn affidavits and thus to fix, so to say, the evidence of these witnesses in a particular pattern. The swearing of those affidavits does create a suspicion as to whether those witnesses are telling the truth when they come before the Court and say that they had carried on the propaganda at the instance of the respondent. Even if they had carried on such propaganda in their own villages or roundabout areas, so far as Kalubhai Haribhai and Punabhai Pratapsing are concerned, the cross-examination with reference to the contents of Exs. 7 and 8 respectively goes to show that neither of them is a reliable witness. Exs. 7 and 8 are word to word the same and each of the witnesses has stated that it was through omission on the part of the scribe or the petitioner-writer at the Taluka Magistrate's office, who wrote out these affidavits, that it was not mentioned that 9 or 10 days before the date of the election Ramubhai Bhatia and the respondent had come to the house of Kalubhai Haribhai and Punabhai Pratapsing. In my opinion, it would be extremely hazardous to rely on the testimony of Kalubhai or Punabhai for the purpose of holding that the respondent obtained or procured the assistance of either of these two Police Patels for the furtherance of prospects of his election. The petitioner has not been able to lead any reliable evidence on this point and the evidence that has been in fact led on the point is not free from suspicion and is not trustworthy.

Under these circumstances, I hold that the petitioner has failed to establish that the respondent obtained or procured the assistance of Kalubhai Haribhai or Shanaji Punaji Damor for the furtherance of his election prospects. The fact that these three persons were Police Patels is not disputed, the fact that each of them acted as a polling agent of the respondent is again not disputed; but what is disputed is that the respondent obtained or procured the assistance of these three individuals in the sense of any-

positive action on the part of the respondent, which would lead to such assistance being received from any one of these three Police Patels. Reliable evidence on that crucial aspect of the matter is lacking and, therefore, the petitioner's case on this aspect of the matter must fail and it must be held that it cannot be said that the respondent procured or obtained the assistance of any of the three Police Patels, viz., Kalubhai Haribhai of Parabia, Punabhai Pratapsing of Chandpur and Shanaji Punjaji Damor of Village Nava, for the furtherance of his own election prospects. This issue must, therefore, be decided against the petitioner.

I, therefore, answer the issues as follows:—

<i>Issue No.</i>	<i>Finding.</i>
1.	Not pressed.
2.	In the negative as to first part; second part does not arise.
3.	Not pressed.
4.	Not pressed.
5.	In the negative as to First part second part does not arise.
6.	In the negative as to all its parts.
7.	In the negative as to first part (in view of my judgment in Elec., Pet. No. 24/1967, decided on October 23, 1967).
8.	Not pressed.
9.	In the negative.

The result, therefore, is that this petition fails and is dismissed. The petitioner to pay the costs of the respondent. Advocate's fees fixed at Rs. 1,900 (Rupees One Thousand Nine Hundred).

Dhanbad, dated 16th May, 1968.

AWARD

The Central Government, being of opinion that an industrial dispute exists between the employers in relation to the Digwadih Colliery of Messrs Tata Iron and Steel Company Limited, Jamadoba, Post Office Jealgora, District Dhanbad and their workmen by its order No. 2/122/65-LRII dated 1st December, 1965 referred to the Central Government Industrial Tribunal, Dhanbad under Section 10(1)(d) of the Industrial Disputes Act, 1947 for adjudication the dispute in respect of the matter specified in the schedule annexed thereto. The schedule is extracted below:

SCHEDULE

"Whether the management of the Digwadih Colliery of Messrs Tata Iron and Steel Company Limited was justified in dismissing Shri Krishna Bandhu, Trolleyman (T. No. 33675) from its service with effect from the 16th June, 1965? If not, to what relief is the workman entitled?"

2. The Central Government Industrial Tribunal, Dhanbad registered the reference as reference No. 197 of 1965 on its file. Workmen filed their statement of demands. While it was pending before the Central Government Industrial Tribunal, Dhanbad the proceeding was transferred to this Tribunal by the Central Government by its order No. 8/25/67-LRII dated 8th May 1967 under Section 33B(1) of the Industrial Disputes Act, 1947. Consequently, the reference is renumbered on the file of this Tribunal as reference No. 90 of 1967. Employers filed their statement of demands as well as rejoinder.

3. It is not in dispute that Shri Krishna Bandhu, Trolleyman (T. No. 33675) (hereinafter referred to as the affected workman for the sake of convenience) was an employee of the employers colliery. It is also admitted that he was served with a charge-sheet alleging misconduct viz. riotous and indecent behaviour in terms of Clause 19 (5) of the Certified Standing Orders, a domestic enquiry was made against him in which he was found guilty and in consequence thereof he was dismissed from service. The case of the workmen is that the dismissal of the affected workman was an act of victimisation, that when the affected workman demanded his due bus, steamer and railway fare, the Senior Welfare Officer unnecessarily came into temper, flared up and abused the affected workman in bad language and turned him out of office, that on the report of the affected workman the management did not take any action and instead brought a false charge against him, that no guilty was proved against the affected workman in the show of enquiry made against him, that the finding of the Enquiry Officer was perverse and that the dismissal of the affected workman was uncalled for and unjust. The employers took the stand that they had conducted proper enquiry and dismissed the affected workman for the misconduct. The workmen

Union and the employers by Shri S. S. Mukherjee, Advocate. On 14th February, 1968, as no one was present on behalf of the workmen, the case proceeded against them in accordance with Rule 22 of the Industrial Disputes (Central) Rules, 1957, the employers examined a witness and marked Ext. M1 to M15 and arguments were heard and the award was reserved. On 16th February, 1968 the workmen submitted an application to reopen the case and give them an opportunity to lead their evidence. Arguments were heard in respect of the application and the application was allowed on 11th March, 1968 although the employers challenged the jurisdiction of the Tribunal to consider the application relying upon the decision of the Calcutta High Court in Gungaram Tea Company, Ltd., Vs. Second Labour Court and another (1967-II-LLJ 325). On behalf of the workmen a witness was examined and Ext. W1 was marked.

4. Exts. M1 to M15 are proved by MW1, the Assistant Chief Personnel and Welfare Officer. These exs. are concerned with the charge-sheet and domestic enquiry held against the affected workman. These documents are not seriously denied by the workmen. There is no rebuttal evidence to contradict them. It is an admitted case that the domestic enquiry was held against the affected workman. Ext. M1, the charge-sheet clearly states that the affected workman had committed misconduct *viz.* riotous and indecent behaviour in terms of Clause 19(5) of the Certified Standing Orders. The facts in it were that on 4th May, 1965 at 8.30 a.m. the affected workman entered the office of the Senior Welfare Officer and started shouting as to why the affected workman was being paid less return railway fare and that inspite of the Senior Welfare Officer explaining to him that his claim was not correct, the affected workman flared up and started shouting and threatening him with dire consequences. In the reply submitted to the charge-sheet the affected workman did not deny that he had been to the office of the Senior Welfare Officer, but put a different version of the occurrence. According to him it was the Senior Welfare Officer himself that used bad language against the affected workman for demanding proper and due return fare. The affected workman is examined as WW1. He did not deny the domestic enquiry held against him or that he was given a fair chance to cross examine the management's witnesses and lead his defence. During the enquiry the affected workman submitted an application to the Enquiry Officer to read and explain to him the statements recorded in English. The Enquiry Officer allowed the request and directed Shri B. N. Ghatak to explain the depositions to the affected workman. There is endorsement by Shri B. N. Ghatak on the depositions that they were explained by him to the affected workman in Bengali. The witness were cross examined also by the affected workman. The statement of the affected workman was also recorded. The affected workman examined five witnesses in his defence. Ext. M10 is the report of the enquiry which shows that the Enquiry Officer had discussed the evidence at length and ultimately found the affected workman guilty of the charge levelled against him. On this the Manager submitted the note, Ext. M11 recommending dismissal of the affected workman. Ext. M12 is the order of the ACME & Agent dismissing the affected workman with effect from 16th June, 1965. The order shows that the ACME & Agent had gone through the charge-sheet and its connected papers and satisfied himself that the charge levelled against the affected workman had been satisfactorily proved. Ext. M13 is the dismissal letter dated 10th June, 1965 under the signature of the ACME stating that the affected workman was dismissed from the service of the employers with effect from 16th June, 1965. This evidence is neither denied nor rebutted. On this material I do not find any flaw in the domestic enquiry. I find that the affected workman was given a fair chance to participate in the enquiry and defending himself. From the report of enquiry, Ext. M10 and the evidence recorded during the domestic enquiry I find no substance in the contention that the findings arrived at by the Enquiry Officer were perverse. Shri Pritish Chanda, the learned representative of the workmen has argued that the demand of the return railway, bus and steamer fare by the affected workman was justified. But that point had no bearing on the enquiry before the Enquiry Officer. The only matter before him was whether the affected workman was guilty of riotous and indecent behaviour as was alleged in the charge-sheet, Ext. M1. It is then contended that immediately after the occurrence the affected workman had submitted an application to the Manager complaining against the Senior Welfare Officer and that the Manager did not hold any enquiry in the matter. But Ext. M15 is a reply sent to the affected workman by the Chief Mining Engineer stating that to enquire into the allegations made by him in his applications dated 4th May, 1965 and 31st May, 1965, Chief Personnel & Welfare Officer had visited the colliery on 17th May, 1965 and despite prior information given to him, the affected workman did not turn up and that the enquiry was conducted in his absence and the conclusion was arrived at that in order to avoid the consequences of his misbehaviour

with the Senior Welfare Officer, the affected workman had taken recourse to the complaint. The affected workman has not denied the letter nor did he lend any rebuttal evidence. The burden of the statement filed on behalf of the workmen is that the dismissal of the affected workman was nothing but victimisation owing to the rivalry between the Tata Collieries Workers Union and the Colliery Mazdoor Sangh, the affected workman being an office bearer and Assistant Secretary of the former. But in his deposition as AW1, the affected workman has come forth with a new case altogether. He deposed that on 10th April, 1965 while he was collecting subscription for his union the Senior Welfare Officer himself and his chaprasis prevented him from doing so and called in police, etc. But no whisper of this case was made at any time before, either before this Tribunal or the Enquiry Officer. Obviously, this case cannot be relied upon to any extent. On this material I find ample justification for the employers in dismissing the affected workman.

5. I, therefore, hold that the management of the Digwadih Colliery of M/s. Tata Iron & Steel Company Limited was justified in dismissing the affected workman, Shri Krishna Bandhu, Trolleyman (T. No. 33675) from its service with effect from the 16th June, 1965 and, consequently, he is not entitled to any relief. The award is made accordingly and submitted under Section 15 of the Industrial Disputes Act, 1947.

ORDER

The employers in relation to Kamptee Colliery of M/s. Oriental Coal Co. Ltd., P.O. Kamptee, Dist. Nagpur (Maharashtra) filed an application under Section 33(2), (b) of the Industrial Disputes Act, 1947 (herein after referred to as the Act) for approval of dismissal of Shri Kameshwar Viswakarma on account of the pendency of reference No. 23 of 1963. That application was rejected on the ground that Shri Viswakarma had not been made a party. The employers have since filed the present application under the same provision for approval of the dismissal. It has been stated in paragraph 9 of the application that it has been filed because a reference bearing No. 23 of 1963 between the applicant and its workmen of the colliery is pending before this Tribunal.

The application was placed before me at Nagpur on the 27th December, 1967. It was Shri Bobde who was then appearing on behalf of the employers who brought

to my notice the fact that, while this application was pending before me, the Central Government had, by its Order No. 5/20/66-LRII, dated the 8th November, 1966, made a reference to the Central Government Industrial Tribunal at Bombay in which the question raised was whether the dismissal of Kameshwar Vishwakarma was justified. In view of this fact, Shri Bobde and Shri Khambhare who appeared on behalf of the workman requested me to adjourn the hearing of the application so that both matters might be placed before one and the same Tribunal for simultaneous disposal.

The Government of India has since then transferred the reference vide Order No. 5/20/66-LRII dated the 3rd February, 1968 which was numbered as reference No. 53 of 1966 in the Central Government Industrial Tribunal at Bombay to this Tribunal. The Government has further directed that the proceeding will continue from the stage at which it has been transferred. The reference has been numbered here as reference No. 11 of 1968.

It seems that the parties have entered into a compromise and the entire dispute between them has been settled. The employers are the applicant. Shri Kameshwar Vishwakarma is opposite party No. 1, Maharashtra Pradesh Rashtriya Khadan Kamgar Sangh is opposite party No. 2 and Kamptee Koyala Khadan Kamgar Sangh is opposite party 3. Opposite party No. 1 has filed an application praying that in view of the settlement between the parties he does not wish to contest the employers application and his dismissal may be approved. Opposite party No. 3 has filed a separate application in which prayer has been made that the application of the employers for approval of the Tribunal to the dismissal of opposite party No. 1 may be granted and dismissal approved. Opposite party No. 3 has further filed an application in which prayer has been made that, in view of the settlement between the parties, the Tribunal may give an award in the reference in line and in terms of the settlement. With these three applications, the agreement between the parties and the terms of settlement arrived at between them have also been filed. The substance of the compromise in that the management has paid in presence of the Asstt. Labour Commissioner, Nagpur a sum of Rs. 1,800/- as an *ex-gratia* payment to the workman, Shri Kameshwar Vishwakarma and he, on the other hand, has agreed that his dismissal should stand.

I have no doubt that the compromise is genuine. It is also fair. The Asstt. Labour Commissioner, Nagpur has made an endorsement at the foot of the petition that money was paid before him. wb

In the circumstances mentioned above, I dispose of the reference according to the compromise, which will form part of the award. Let it be submitted to the Govt. of India.

The application is also disposed of in this way that the dismissal of Kameshwar Vishwakarma by the management of the Colliery is approved, in accordance with the compromise between the parties.

Manager, Kamptee Colliery.

Workman of Kamptee Colliery represented by
Kamptee Koyala Khadan Kamgar Sangh (HMS)
through its—present—Shri W. D. Sugdeo,
President.

Shri Kameshwar Vishwakarma,
Secretary in his official capacity.

"Short Recital of the Case"

Shri Kameshwar Vishwakarma General Mazdoor in Electrical Department was dismissed by the management vide their letter No. KCM/26/271/66 dated 15th March 1966 and an application under Section 33(2)(b) of the I.D. Act was preferred before the Central Government Industrial Tribunal, Dhanbad for approval of the

action. The same application is pending before the Tribunal under Reference No. "Application No. 60 of 1966". Thereafter, the union party to this agreement had raised the dispute over dismissal of the workman before the Conciliation Officer [Assistant Labour Commissioner (Central), Nagpur and his file reference ALCN/10 (16)/66 dated 30th March 1966]. As the conciliation had failed and hence on receipt of the failure of conciliation report the Government of India in the Ministry of Labour and Employment had referred this Industrial Dispute to the Central Government Industrial Tribunal, Bombay *vide* their file No. 5/20/66-LRII dated 18th November, 1966. The same has been transferred to the Central Government Industrial Tribunal, Dhanbad on the request of the parties *vide* order No. 5/20/66-LRII dated 3rd February, 1968 by the Government of India, Ministry of Labour and Employment, New Delhi.

In short the facts of the case are that an application under Section 33(2)(b) of the I.D. Act is pending before the Central Government Industrial Tribunal, Dhanbad, for approval of the action and a reference under Section 10(1) of the I.D. Act which was originally referred to the Central Government Industrial Tribunal, Bombay and later on transferred and is pending on files of the Central Government Industrial Tribunal, Dhanbad. Now the Union i.e. Kamptee Koyala Khadan Kamgar Sangh (HMSO) has again raised the dispute with the management. The matter was discussed at length. The Union stressed and impressed upon the management that Shri Kameshwar Viswakarma's family situation back home (U.P.) is very disturbed. Some letters were produced by Union in course of discussion to testify their point. Management was requested to reconsider the whole issue and take a compassionate and human view. In the interest of peace in industry and cordial relation in face of worker's genuine difficult situation the dispute was settled on following terms and conditions—

Terms of Settlement

- (1) Notwithstanding anything in this agreement the parties agree that the dismissal of the workman Shri Kameshwar Viswakarma will stand as it is.
- (2) The management agrees to pay the workman Shri Kameshwar Viswakarma an amount of Rs. 1800/- (Rupees One thousand eight hundred only) as an *ex gratia* payment and the same will be done in the office of the Assistant Labour Commissioner (Central), Nagpur in the presence of Asstt. Labour Commissioner or Labour Enforcement Officer.
- (3) the workman and Union agree that they will separately send a rejoinder to the Dhanbad Tribunal requesting the Tribunal that the action of management under Section 33(2)(b) may kindly be approved in view of this settlement and/or on hearing request the Tribunal on same lines. A copy of this settlement will also be sent to the said Tribunal.
- (4) In view of the settlement the Union agrees that it will send a rejoinder requesting the Tribunal to give an Award in terms of this settlement in the matter of reference under Section 10(1) and/or on hearing request the Tribunal on same lines. A copy of this settlement will be sent alongwith.
- (5) The parties agree to get this agreement registered under the relevant provisions of the Industrial Disputes Act 1947 at proper forum.

6. The parties agree that this would be in full and final settlement of the dispute

The parties are aware that this agreement and finding it to their interest sign it in token of their consent-free consent, under the seal of their office.

AWARD

The Government of India has, by its Order No. 2/124/67-LRII, dated 18th November, 1967, referred this industrial dispute for adjudication to this Tribunal. The schedule attached to the reference is as follows:—

SCHEDULE

"Whether the management of the East Ghanoodih Colliery of Messrs East Ghanoodih Colliery Company (Private) Limited, Post Office Jharla (Dhanbad) was justified in not allowing employment to Sarvashri Adhin Singh and Gangadhar Singh, Mine Loaders with effect from the 14th June, 1967? If not, to what relief are the workmen entitled?"

2. Both the parties have agreed that the name of the Colliery does not begin with "EAST" but it is simply Ghanoodih Colliery, East Section. The description given by the parties in agreement with each other may be assumed to be correct.

3. The workmen, Shri Adhin Singh and Shri Gangadhar Singh represented by the General Secretary, Krantikari Koyala Mazdoor Sangh, filed a written statement on 30th December, 1967. They stated therein that the workmen were permanent employers of the Colliery and had put in a number of years of service, that the workmen were arbitrarily stopped from their duties on 14th June, 1967 without any Charge-Sheet and without assigning any reason and that the workmen have been victimized for their Union activities.

4. The employers filed a written statement on 17th January, 1968 when they had not yet received the written statement filed on behalf of the Union. In that written statement, they stated that the Reference was misconceived and bad in law, that the workmen concerned had no *locus standi* to raise the dispute in-as-much as they were not workmen under the Industrial Disputes Act on the date of the dispute, that Gangadhar Singh was appointed on 30th January, 1967 as a Machine Loader on a permanent substantive post as a probationer but he absented himself with effect from 13th June, 1967 before the expiry of his probationary period and hence he was treated as having abandoned his service and that Adhin

Singh was appointed on 3rd February, 1967 as a Machine Loader on a permanent substantive post as a probationer but he started absenting himself with effect from 30th May, 1967 and hence he was also treated as having abandoned his service.

5. In another written statement filed by the employers on 30th January, 1968, they stated that they have never been aware of the Union activities of the workmen and that there is, therefore, no question of their being victimized for such activities.

6. At the hearing, the parties have filed some documents and they have also examined some witnesses.

7. The employers having admitted that Gangadhar Singh was appointed on permanent substantive post with effect from 30th January, 1967 and Adhin Singh was appointed on permanent substantive post with effect from 3rd February, 1967, the first question which arises for consideration is whether the appointment of the two workmen was on probation for a particular period. The letters of appointment of the workmen have not been produced nor have the office copies of those letters been produced. Shri Vikramaditya Jha (M.W. 2) has produced a Register of employees (Ext. M2). The name of Gangadhar Singh appears in this Register. The witness has stated that Ext. M-2(a) is the thumb impression of Gangadhar Singh, but that fact is disputed. Besides, the Register does not bear the signature of the Manager or the Assistant Manager on any page. Shri B. K. Lath, who has appeared on behalf of the workmen, has pointed out that, under Clause 41(6) of the Coal Mines Regulations, 1957, the Manager has to examine all registers among other records which are to be kept under the Act and has to countersign the signature on the Register though he may delegate this duty by an order in writing to an undermanager. Apart from the defect of absence of the signature of the manager or undermanager, the alleged thumb impression [Ext. M-2(a)] is so faint and undercipherable that it cannot be accepted as a genuine thumb-impression of Gangadhar Singh. In any case, there is nothing in this Register to show that Gangadhar Singh was appointed on probation. No other document has been filed to prove that either Gangadhar Singh or Adhin Singh was appointed on probation. M.W. 2 has said nothing on this point. Shri S. V. Krishnamurty, (M.W. 1) has been working as the Manager of Ghanoodih Colliery, East Section, from June, 1963. He says that appointment is made in his Colliery is the first instance on a temporary, badli or probation basis, but he has not ascertained that either Gangadhar Singh or Adhin Singh was appointed on probation. I am, therefore, unable to hold that either of those workmen was on probation on or about the date on which each of them is alleged to have abandoned or been stopped from service.

8. Shri Gangadhar Singh has examined himself as W.W. 1. He has stated that he has been working in the colliery from 1964 but previously he was on a temporary basis. It may be that, as shown by the register Ext. M-2, he was put on a permanent basis from 30th January, 1967. In that case also, he could not be put on probation at that stage.

9. Admittedly, no charge was framed and no enquiry was held against the workmen in question. The question for consideration which, therefore, arises at this stage is whether a workman can cease to be in service simply because he absents himself from his duties without any further action being taken by the employers. In other words, can a workman be simply ignored or can he be deemed to have been thrown out of service unceremoniously because he absents himself for a day or two? Shri Krishnamurty—M.W. 1—says that when a workman starts absenting himself regularly, the Register-Keeper makes a note that he is no longer in service. This is a curious procedure. A workman cannot be deemed to have abandoned service simply because of his absence for a day or two. Realising this situation, M.W. 1 added that the Register-Keeper makes enquiry from the Manager whether the workman is or is not in service and then the Manager gives him the correct position.

10. The Manager (M.W. 1) says that the first news which he got about the grievance of Gangadhar Singh was from the communication (Ext. M-3) from the A.L.C.(C). This is dated 29th August, 1967. Had the services of the workmen in question been terminated with effect from 14th June, 1967 because of their voluntary absence, surely he must have learnt about it before 29th August, 1967. I, therefore, hold that the workmen did not voluntarily absent themselves from service.

11. This may be considered from another aspect Clause 13 of the Company's Standing Orders (Ext. M-1) provides that if an employee remains absent without

properly approved leave he will render himself liable for disciplinary action. If the two workmen in question had made themselves liable for such disciplinary action, charge should have been framed against them, enquiry should have been made and formal orders of termination of service should have been passed against them. The Manager—M.W. 1—has stated that he did not issue a notice to Gangadhar Singh or Adhin Singh terminating their service on the ground of abandonment of services by them and that, so far as he remembers, no charge-sheet was issued to them.

12. In the circumstances mentioned above, I accept the workmen's case that the management stopped them from their work from 14th June, 1967.

13. Shri Dabral, who has appeared on behalf of the employers, has argued that the counterfoil receipt—Ext. W. 1—is not genuine and that the workmen have not proved that they are members of the Union known as Krantikari Koyala Mazdoor Sangh, much less that the Management of the Company knew of their activities as members of that Union. It is unnecessary to consider this argument because, as I have already held, the management stopped them from working and this the management was not entitled to do.

14. In view of what I have said above, I am clearly of the opinion that the management of the Colliery Company in question was not justified in not allowing employment to Sarvashri Adhin Singh and Gangadhar Singh, Machine Loaders, with effect from 14th June, 1967. They are, therefore, entitled to be re-instated as Machine Loaders with effect from 14th June, 1967 with their back wages and continuity of service.

15. This is my award. Let it be submitted to the Central Government under Section 15 of the Industrial Disputes Act, 1947.

For the Workmen.--No appearance.

STATE: Kerala.**INDUSTRY:** Stone Quarrying.*Dated 25th April, 1968***AWARD**

The Government of India in the Ministry of Labour and Employment have by their order No. 36/33/65-LRI dated 20th November, 1965 referred to this tribunal for adjudication the industrial dispute existing between the employers in relation to the stone quarry of Messrs. Hindustan Construction Company, Pattanamthitta, District Quilon and their workmen in respect of the matters specified in the following schedule:--

SCHEDULE

- "(1) Whether the workmen employed in the stone quarry at Pattanamthitta, District Quilon of Messrs. Hindustan Construction Company Limited are entitled for bonus for the years 1962-1963 and 1963-1964?
(2) If so, to what extent?"

2. The employers--the Hindustan Construction Company Ltd., were engaged in the work of construction of a dam and a tunnel at Sabarigiri. In connection with the dam work there was an adjacent stone quarry in which the employer company had engaged about 388 workmen. The construction of the dam started in the year 1962 and was continuing. It was expected to be completed in the year 1966. The workmen employed by the company including the stone quarry workers had through the Secretary of the Sabarigiri Project Construction Employees' Union sent a charter of demands about bonus, onam advance, dearness allowance, issue of service cards etc., and the matter was also represented to the Conciliation Officer. Negotiations were held and there was a settlement regarding almost all the demands including the bonus dispute. By the settlement the management agreed to pay bonus to all the workmen including the employees engaged in the stone quarry equivalent to ten days wages per year in full and final settlement of the claim. But subsequently the union again raised the same question about bonus for the years 1962-63 and 1963-64 in relation to the quarry workers and it has been referred to this tribunal.

3. The employers have by their written statement contended that in respect of the present dispute conciliation proceedings were held before the Deputy Labour Officer and Conciliation Officer, Pattanamthitta who was camping at Kakki in the presence of the representatives of the employers and the workmen and pursuant to the discussion that took place at that conciliation meeting a settlement was

arrived at. As per the settlement with reference to the demand for bonus for the years 1962-63 and 1963-64 it was agreed that all the workmen should be paid bonus equivalent to 10 days wages (consolidated) per year in respect of the said two years in full and final settlement of the claim of the workers for bonus. Pursuant to the said settlement the company even paid the agreed bonus to all its workmen both in the dam, tunnel work and stone quarry and all the workers without any exception have received the payment of this agreed bonus. They have contended that thus the demand for bonus in respect of the years 1962-63 and 1963-64 have been fully and finally settled as per the settlement dated 16th June, 1965. The workers were also paid the agreed amounts and they are not entitled to any additional amount of bonus for the said two years.

4. After the receipt of the reference notices were issued to the General Secretary, Sabarigiri Project Construction Employees' Union P. O. R. Perunad, District Kottayam, Kerala dated 4th December, 1965, 20th December, 1965, 29th January, 1966, 26th February, 1966, 3rd March, 1966, 23rd March, 1967 and 14th February, 1968. These notices were received by the General Secretary of the Sabarigiri Project Construction Employees' Union but he has neither put in any appearance nor filed any statement of claim. Once by his application dated 15th June, 1966 the General Secretary of the Union had requested for extension of time to file the statement of claim on behalf of the workers and though time was granted no written statement of claim has been filed so far. The office had also forwarded to the Secretary of the Union a copy of the written statement of the company along with the letter dated 29th March, 1966. The same has been received by the Secretary of the union but he has not taken any steps to file any statement of claim.

5. Notice of the hearing of this dispute in this sitting of the Tribunal at Ernakulam has been duly received by the General Secretary of the Union but he has remained absent. It is clear from the record of the conciliation proceedings that the workmen were represented by the Sabarigiri Project Construction Employees' Union P. O. R. Perunad, District Quilon, Kerala before the Conciliation Officer. The order of reference shows that the General Secretary, Sabarigiri Project Construction Employees' Union, P. O. R. Perunad, District Kottayam, Kerala represented the workmen concerned in this reference about the demand for bonus for the two years in question and the notices were issued to the General Secretary of the Sabarigiri Project Construction Employees' Union to the address mentioned in the order of reference. It is also clear from the record that the notices issued from the office of the Tribunal have been received by the union and although the notice of hearing on 4th March, 1968 has been duly received by the General Secretary of the union he has remained absent. In spite of the notice dated 8th April, 1968 and the hearing dated 22nd April, 1968 the union did not appear nor did it put forth any written statement and considering the conduct of the Union in not appearing and taking part it appears that they are not interested in the proceedings of the reference and hence the matter is heard *ex-parte*.

6. The employers have by their written statement contended that the dispute regarding the demand for bonus for the years 1962-63 and 1963-64 between themselves and the workmen including the stone quarry labourers has been settled during the conciliation proceedings. It was agreed by them to pay to all the workmen bonus equivalent to 10 days wages per year in respect of the said two years in full and final settlement of the claim. Along with the written statement they have produced a copy of the memorandum of settlement dated 16th June, 1965 which purports to have been arrived at during the conciliation proceedings before the Conciliation Officer, Pattanamthitta camp Kakki. In the terms of settlement the very first item is regarding bonus which states:—

"1. Bonus.—It is agreed that all workmen shall be paid bonus equivalent to 10 days wages per year in full and final settlement of the claim of the workers for bonus."

The employers in their written statement have stated that according to these terms of settlement they have made payments of the agreed amounts of bonus to the workers including the stone quarry workers. The union has not filed any written statement and there is no reason to disbelieve the company's contention in the absence of any denial on the part of the workmen. It is clear from the copy of the settlement that the dispute has been settled and it appears that because of this settlement the workers are not interested and do not want to take part in the present proceedings.

7. As per the provisions of Rule 20 of the Industrial Disputes (Central) Rules, 1957, in cases where the workmen who are members of any trade union or association are parties to the dispute the service of notice on the Secretary or on the principal officer of the union or association shall be deemed to be service on such persons. The Secretary has not remained present and has not shown any cause for his failure to file any written statement or attend the proceedings. Rule 22 of the Industrial Disputes (Central) Rules, 1957, enables the authority to hear proceedings *ex parte*. It says:—

"If without sufficient cause being shown, any party to proceedings before a Board, Court, Labour Court, Tribunal, National Tribunal or Arbitrator fails to attend or to be represented the Board, Court, Labour Court, Tribunal, National Tribunal or Arbitrator may proceed as if the party had duly attended or had been represented."

8. The learned Counsel for the employers has contended that the reference pertains to the demand of bonus for the years 1962-63 and 1963-64. Their Lordships of the Supreme Court have struck down the provisions of section 33 of the Payment of Bonus Act, 1965 which had enabled the workers to obtain bonus for the two years before the introduction of the act under the Act and as the workmen know full well that they will not be entitled to claim any bonus for the two years and hence they have remained absent. Shri Narayanaswamy the learned Advocate on behalf of the management has further argued that as there was a settlement arrived at between the parties before this reference the management has already paid the bonus to the workmen involved in this dispute. They have taken advantage of the settlement and they are not now entitled to claim anything further. It has been further argued that in spite of the several notices issued to the union they have not put forth any statement of claim which clearly showed that the workmen were satisfied with the bonus received by them under the agreement and they are not entitled to claim anything for the same years.

9. I have already referred to the various notices issued to the union regarding the hearing of this reference but the union has not appeared and has not filed any statement and it appears that due to the settlement of the dispute before the Conciliation Officer the union and workmen are now satisfied and do not want to proceed with this demand. The copy of the memorandum of settlement between the parties which has been produced by the employers along with their written statement supports the management that the parties had agreed to the payment of bonus equivalent to ten days wages per year in full and final settlement of the claim and it appears that after receiving the amount of 10 days' wages as bonus the union again reiterated the same demand before the Conciliation Officer and I do not think that the same demand will now be justified. The copy of the settlement shows that the settlement had taken place before the Conciliation Officer. It is signed both by the management and the representatives of the workers. It is also signed by the Conciliation Officer and there appears no reason why the same should not be accepted. In spite of the several notices the union has not remained present. Clearly the workmen are satisfied with the settlement and now they have no claim of any kind for the bonus for the two years 1962-63 and 1963-64. It is also clear that the provisions of section 33 of the Payment of Bonus Act have been struck down by their Lordships of the Supreme Court in the case of *Jalan Trading Co. Ltd., v. Mill Mazdoor Sabha* reported in 1966 II LLJ 546. The workmen are not entitled to claim bonus for the two years under the Payment of Bonus Act and hence also the union has not taken part in the proceedings. The workmen employed in the stone quarry are not entitled to bonus for the two years 1962-63 and 1963-64 and hence my award accordingly.

No order as to costs.

APPEARANCES:

For the Employers.—Shri V. Desikan Advocate of Messrs. Menon & Pai, Advocates, Ernakulam.

For the Workmen.—Shri T. C. N. Menon, Advocate.

STATE:—Kerala

INDUSTRY:—Major Ports and Docks.

Dated the 22nd April 1968.

AWARD

By Order No. 28(36)/66-LRIV dated 17th March 1966 the Government of India in the Ministry of Labour and Employment has referred to this Tribunal the industrial dispute between the employers in relation to Messrs. Darragh Small and Company (India) Ltd., Cochin-3 and their workmen in respect of the matters specified in the following schedule:—

SCHEDULE

“Whether the steamer tally clerks employed by M/s. Darragh Small & Company (India) Ltd., Cochin-3, are entitled for payment of bonus under the Payment of Bonus Act, 1965 for the accounting year ending on 31st March 1965. If so, to what extent and to what other relief, if any, are they entitled?”.

2. The management has by its written statement opposed the claim and has contended that the steamer tally clerks were never the employees of the company. There was no employer-employee relationship between them and they are not entitled to any bonus. They have denied that the working results of the company will enable bonus to be paid at 20 per cent and have contended that at any rate it should be considered on the basis of the accounts of the company which would be produced at the appropriate time.

3. No statement of claim has been filed on behalf of the workmen in this reference.

4. The reference was made to this Tribunal on 17th March 1966 and after the issue of notices and the filing of statements the matter was adjourned from time to time. Ultimately in this sitting of the Tribunal at Ernakulam the parties negotiated the dispute and settled it amicably and filed a joint memorandum of settlement under which the management has agreed to pay to the tally clerks bonus for the year ending on 31st March 1965. The joint memorandum of settlement has been produced by the parties at annexure ‘A’. It is clear from the terms of settlement that the tally clerks are to get bonus at the rate at which it was paid by the company to the head load labourers employed at Willingdon Island. The terms are reasonable and hence I pass an award in terms of the joint memorandum of settlement annexure ‘A’ which shall form part of this award.

No order as to costs.

AWARD

By Order No. 28/135/64-LRIV dated 6th February 1965 the Government of India in the Ministry of Labour and Employment have referred to this tribunal the industrial dispute existing between the employers in relation to Shri N. P. Nayak, Customs House Agent, Cochin 2 and their workmen in respect of the matters specified in the following schedule:—

SCHEDULE

"Whether the action of Shri N. P. Nayak, Customs House Agent, Cochin 2 in refusing employment to Shri B. L. Mallia, as Tally Clerk with effect from 23rd November 1964 is justified? If not to what relief is the workmen entitled?"

2. The Steamer Tally Clerks Union which represents the workman Shri B. L. Mallia has by its statement to claim alleged that Shri Mallia was in the employ of Shri N. P. Nayak, Customs House Agent and was working regularly as a tally clerk for the last several years. As the management delayed payment of wages, Shri Mallia had to file a suit against the management for the delayed wages. This suit S.C. 266 of 1960 was compromised.

The union has alleged that though the suit was settled the management was waiting for an opportunity to victimise Shri Mallia and in the year 1964 they again began to cut his wages and delay the payments. Shri Mallia raised a complaint about it. However the management in retaliation stopped employing him from 23rd November 1964 without assigning any reason. Hence Shri Mallia who was a member of the union approached the union who raised a dispute. It has been further alleged that Shri Mallia has been refused employment from 23rd November 1964 and from that date till 29th March 1965 he would have been able to earn wages amounting to Rs. 282.40. Hence the union has prayed for a direction for his re-employment and claimed wages amounting to Rs. 282.40.

3. The company by its written statement has denied the claim of the workman and has contended that Shri Mallia was not employed in the service of the management as such and there was no employer-employee relationship between them. There was no industrial dispute within the meaning of the Industrial Disputes Act and Shri Mallia was not entitled to claim anything from them. They have admitted that the services of Shri Mallia were utilised by them for the purpose of some tally but have contended that on each of such occasions he was acting as an independent person. He used to submit his bills in respect of each such occasion and as each separate tally work was a separate and independent piece of work at the worst there was only an engagement of Shri Mallia by the management on a contractual basis for finishing each item of work and the contractual relationship ceased immediately the work was done. This did not constitute Shri Mallia an employee of the management and there was no relationship of employer and employee. He was not entitled to claim any loss of wages from the company.

4. After the receipt of this reference on 2nd March 1965 and the statements of the parties the matter was adjourned for hearing from time to time. But during this sitting of the Tribunal at Ernakulam the parties negotiated the dispute and have settled it amicably. They have filed a compromise petition at annexure 'A'. According to the terms of the compromise the management has agreed to pay a sum of Rs. 200 to Shri Mallia in full and final payment of all the bills submitted by him and the claim for compensation made in this reference. The union by its statement of claim had demanded Rs. 282.40 and considering the terms of compromise it shall have to be held that the compromise is reasonable. I accept the same and pass an award in terms of the joint settlement annexure 'A' which shall form part of this award.

AWARD

The Government of India in the Ministry of Labour Employment and Rehabilitation (Department of Labour & Employment) have by their Order No. 28(96)/66-LRIV dated 15th September 1966 referred to this Tribunal an industrial dispute existing between the employers in relation to the Indo Ceylon Trading Company Ltd., and their workmen in respect of the matters specified in the following schedule:—

SCHEDULE

"Whether the Indo Ceylon Trading Company, Steamer Agents, Cochin-2, are justified in refusing employment to Shri Donald Clements, Cargo, Supervisor on board the Country Crafts from 14th March 1966? If not, to what relief is the workmen entitled?"

2. The employers, the Indo-Ceylon Trading Co. Ltd., are steamer agents and commission agents with their office at Cochin. They are also agents for the Maldivian Nationals Trading Corporation (Ceylon) Ltd., and act as representatives of the Maldivian Government Trade Agents. The management had engaged the workmen Shri Donald as a cargo supervisor and he was in their employ he gave him employment upto 14th March 1966 but subsequently denied employment to him and hence the Port and Steamer Workmen's Association of which he was a member made representations against the management as a result of which this dispute was raised.

The Association has by its statement of claim contended that Shri Donald Clements was working with the management as a cargo supervisor for the steamers arriving at Cochin for the last nine years. His work was supervised and controlled by the management and they used to pay him his remuneration at scheduled rates. Shri Donald Clements also worked with the management as a cargo supervisor of the cargo loaded and unloaded at Cochin Port from the Maldivian country crafts arriving at Cochin Harbour and he did this work continuously for the last three years. He was efficient and dutiful but the management refused him employment on the country craft S. V. Deefarum on 14th March 1966 and also subsequently without assigning any reason. When he as usual went to the office he was illegally denied employment. The management engaged their office clerk for the supervision work of the other country crafts which arrived at the Cochin Port and as Shri Donald Clements was illegally denied employment he was entitled to get his wages during the period and as the refusal of work was not justified Shri Donald Clements is entitled to reinstatement and the wages during the period he was refused employment.

The company in its statement in reply has denied the claim of the Association. They have admitted that they had employed Shri Donald Clements as a supervisor but have contended that he was engaged as and when the company required his services on payment of daily rate of wages. They have contended that they were not technically the agents for loading and unloading for the country crafts which called at Cochin and the company had to act as per the Tindal's (Master's) requirements. The country crafts did not come under the purview of the Dock Labour Board for supply of labour. The country crafts make their own arrangements by employing ships' crew or recruiting labour from shore. The crafts mentioned in the dispute advised the company that they did not require any labour or tally or supervision work and therefore the company did not arrange for labour and the services of Shri Donald were not required. As Shri Donald was not in the regular employ of the company there was no question of any refusal of employment and he was not entitled to get any relief or wages.

After the statements of claim and the reply and rejoinder were filed by the parties the matter was adjourned from time to time. At the time of this sitting of the Tribunal at Ernakulam the parties negotiated the dispute and settled the same amicably and filed a memorandum of settlement at annexure 'A'. By this settlement the management has agreed to employ Shri Donald Clements on country crafts as before and has further agreed to pay him Rs. 76/- towards his wages. The settlement is reasonable and I accept the same and make an award in terms of the joint memorandum of settlement annexure 'A' which shall form part of this award.

AWARD

By Order No. 28(30)/66-LRIV dated 1st April, 1966 the Government of India in the Ministry of Labour, Employment and Rehabilitation, have referred to this Tribunal an industrial dispute existing between the employers in relation to Messrs Paul Abrao and Sons, Cochin-3 and their workmen represented by the Cochin Thuramugha Thozhilali Union in respect of the matter set forth in the following Schedule:—

SCHEDULE

“Whether the coal handling workers employed by M/s. Paul Abrao and Sons, Cochin-3 are entitled to the benefits given under the interim recommendations of the Central Wage Board for Port and Dock Workers? If so to what extent and from what date.”

The employers Messrs Paul Abrao and Sons are working as coal handling contractors of the Southern Railway at Willingdon Island, Cochin-3. The workmen in their employment had raised a dispute through their union *viz.*, the Cochin Thuramugha Thozhilali Union for the interim relief recommendation by the Central Wage Board for Port and Dock Workers and this dispute has been by the joint application of the employers and the workmen has been referred to this Tribunal for decision by the order dated 1st April, 1966.

After the receipt of reference notices dated 25th April 1966, 14th February 1968 were issued to the parties. In spite of these notices neither the employers nor the office bearers of the union filed any statements of claim or reply. On the 4th March, 1968 when the dispute came up for hearing at Ernakulam the employers though served were absent. The General Secretary of the Cochin Thuramugha Thozhilali Union Shri A. A. Kochunny who was present submitted to the

Tribunal that the dispute between the workmen and the employers was compromised and the union did not want to press the issue. On that day he had also filed a written application to that effect. With a view to hear the employers the matter was then adjourned and again notices were issued to the management and the union for hearing on 22nd April, 1968 at Ernakulam. At this hearing the representatives of both parties appeared. They submitted that the matter has been settled and the union did not want to press its claim for interim relief. As the matter has been settled by the parties and the union does not press the claim it shall have to be held that the workers have settled the dispute and they are not entitled to the relief claimed and hence my award accordingly.

AWARD

This is a complaint by one Shri C. Velu of Eraveli, Cochin-1 against his employers Shri A. K. Muhamedkutty, Boat Owner and Contractor under section 33A of the Industrial Disputes Act, 1947.

2. The complainant has alleged that he was employed by the opposite party as a tyndal for the last four years and was in their continuous employ since then. The opposite party by their letter dated 8th March, 1965 dismissed the petitioner from service alleging that he had committed certain misconduct. He has alleged that the management had not given him any opportunity to show cause against the charges. He was a workman concerned in industrial dispute Ref. No. CGIT 32 of 1963. The employers also did not pay him one month's wages nor did they make any application for approval. The dismissal was illegal as the employers had contravened the provisions of section 33 of the Industrial Disputes Act, 1947 and he should be reinstated.

3. After this complaint dated 27th June, 1965 notices were issued to the parties but the company did not file any written statement and the matter was adjourned from time to time. Even at the hearing fixed in Ernakulam on 4th March, 1968 both parties were absent but Shri T. C. N. Menon, Advocate, who had filed the original complaint on behalf of the workmen informed the Tribunal that he had

heard that the workmen had compromised the matter. However, again notices were sent and the complaint was fixed for hearing at Ernakulam on 22nd April, 1968. Both parties were served with the notices of the hearing but they have remained absent and the matter is proceeded *ex parte*. The complaint filed by Shri Velu was in respect of his alleged dismissal from service. In spite of several notices he has remained absent which shows that he is not interested in the proceeding and it shall have to be held that he is not entitled to any relief and hence may award accordingly.

Dated 26th April 1968

AWARD

The Government of India in the Ministry of Labour and Employment by their Order No. 28/139/64/LRIV dated 21st January 1965 have referred to this Tribunal an industrial dispute existing between the employers in relation to the Trustees of the Port of Bombay and their workmen in respect of the matters specified in the following Schedule:—

SCHEDULE

"Whether the promotion of Shri D. D. Bendkhale to the post of electrician grade 1 on the MPV Venu in the place of Shri N. G. Patil is justified? If not to what relief, if any, is Shri N. G. Patil entitled and from what date?"

2. The circumstances giving rise to the dispute may be stated in brief as follows:—

The employers, the Trustees of the Port of Bombay had on or about the 7th of June 1962 commissioned the Motor Pilot Vessel 'Venu' and put it into service. By their Resolution No. T.R. 569, dated 19th June, 1962 they had for this vessel sanctioned some staff including three electricians and three wiremen and hence the electric foreman of the Southern Division of the employers had issued a

notice inviting applications from the electricians and wiremen of both the electrical sections for the post of electricians and wiremen in this vessel. At about that time the workman Shri D. D. Bendkhale who was holding the necessary qualification of first-class P.W.D. supervisor's certificate was working as electrician grade II in the electrical establishment of the Bombay Port Trust and was posted at Wadala, while Shri N. G. Patil the other workman had only appeared for the examination for the necessary qualification and was working as a wireman in the electrical establishment in Southern Division. As per the notice Shri D. D. Bendkhale had submitted his application for the post on the pilot vessel through the head time-keeper. Shri N. G. Patil had made two applications. There were other applications also and ultimately Shri N. G. Patil who passed the examination for the necessary qualification came to be appointed and was directed to report himself from 13th August, 1962 to the post of electrician on the MPV Venu.

3. It appears that in spite of applications of the candidates for the post of electrician grade I on the MPV Venu and the appointment of Shri N. G. Patil the result of the selection was not declared and Shri Bendkhale did not come to know that Shri Patil was selected for the post and that he had joined it. On oral enquiries Shri Bendkhale was told that the selection would be according to merits and seniority. He was working in the Northern Division of the Department at Wadala and was completely in dark about the appointment. On the 27th September, 1963 when he was sent to the M.P.V. Venu in leave vacancy to work there as an electrician 1st grade he came to know about the selection and appointment of the junior person Shri N. G. Patil. In fact Shri Patil had passed the second class certificate examination for being appointed as electrician grade II only in the month of July, 1962 that is after the last date for receiving the applications for the post of the electrician on the vessel VENU. On the date of applications he did not possess the requisite qualification for the post notified and hence Shri Bendkhale raised a dispute through the Employees' Union and made representations to the authorities about the injustice done to him.

4. The Chairman of the Bombay Port Trust thereafter made enquiries and came to a finding that Shri D. D. Bendkhale who was originally appointed as electrician grade II had for the post of electrician grade I on the MPV Venu a claim superior to Shri N. G. Patil who was only a wireman on the material date. The application of Shri Bendkhale had mysteriously disappeared. The Chairman therefore reverted Shri Patil and transferred him to the electrical establishment and appointed Shri D. D. Bendkhale as an electrician grade I on the MPV Venu. After this appointment Shri Patil made representations through the B.P.T. General Workers' Union who raised this dispute. They had also approached the Conciliation Officer and after the failure report it was referred to this Tribunal.

5. The B.P.T. General Workers' Union representing the case of Shri N. G. Patil in whose place Shri D. D. Bendkhale was promoted have by their statement of claim contended that as per the notice inviting applications the right to apply for the post was not restricted only to electricians grade II but the appointments were thrown open to all employees of the Port Trust working as wireman as well as assistant wireman and the only requirement that the applicant should possess was the necessary qualification needed to work as electrician grade I. It is alleged that some four persons who had applied for the post and were selected refused to accept the transfer on the vessel VENU because of the service conditions and thereafter Shri Patil who had passed the examination held by the Maharashtra Government in July, 1962 was selected by the Deputy Conservator to work as electrician grade I and was appointed to do that work on the MPV VENU with effect from 14th August 1962. Thus Patil was appointed by the authorities through the process of selection and as he had been working on the MPV Venu with effect from 14th August, 1962 upto 29th June, 1964 he should have been considered permanent and confirmed against that post and his demotion was not justified.

6. As regards the claim made by Shri D. D. Bendkhale the B.P.T. General Workers' Union has alleged that there was no record available to show that Shri Bendkhale had made an application for the post. He had also not raised any objection or made any protest against the appointment of Shri Patil and the suggestion that his application was suppressed by somebody was far fetched. They have contended that it was only in the early part of 1964 that the B.P.T. Employees' Union had demanded the promotion and transfer of Shri Bendkhale on M.P.V. VENU and approached the then General Manager of the Bombay Port Trust Shri Simoes on the subject. It is alleged that as Shri Simoes was favourably inclined towards the B.P.T. Employees' Union he had ignored the requirements of law and had issued orders immediately for the reversion of Shri N. G. Patil and the promotion of Shri Bendkhale on the M.P.V. VENU. No employee

working under the Chief Engineer, B.P.T., in the electrical establishment had any claim whatsoever on the post of electrician Grade I on the M.P.V. VENU on the basis of seniority either on the length of service or on any other standard. Shri Bendkhale was not entitled to be promoted in place of Shri Patil and by promoting him the Bombay Port Trust has shown favouritism and unfair labour practice. There was absolutely no justification for the promotion of Shri Bendkhale and this Tribunal should direct the authorities to restore Shri Patil to his former position.

7. Shri D. D. Bendkhale is represented by the B.P.T. Employees' Union who by their written statement alleged that Shri Bendkhale had the necessary qualification for the post of electrician grade I on the M.P.V. VENU. As per notice he had sent his application within time on the 11th June 1962 through proper channel. The other candidate Shri N. G. Patil had not also the necessary qualification at the time of the application and preferring him to Shri Bendkhale and promoting him to the post of electrician Grade I was unjust. They have further contended that the action of the electrical foreman and other officers in not declaring the result of the selection after inviting applications as per notice was improper. It is alleged that the officers and employers concerned were interested in the promotion of Shri Patil and had played all the mischief to the detriment of Shri Bendkhale was completely in the dark about the appointment of Shri N. G. Patil till he was actually sent to the VENU to work there in the leave vacancy for a period of nine days. It was thereafter that he approached the electrical foreman and explained to him about the wrongful promotion of Shri N. G. Patil ignoring his just and legitimate claims and to his surprise he was told that his application was not traceable. Thereafter his case was taken up by the union and the union made representations to the employers on his behalf and the Chairman recognised his superior claims and his promotion was justified.

8. The employers have by their statement supported the claim of Shri D. D. Bendkhale to the post of electrician grade I. Besides the merits they have raised technical pleas contending that the reference involved only a question about the promotion of an employee and as the subject matter of promotion is a managerial function it is not open to this Tribunal to adjudicate upon the dispute and this Tribunal has no jurisdiction to deal with the same. On merits they have contended that in the notice inviting the applications for the post of electrician it was made clear that the said post was temporary. It was also clear from T.R. No. 560 dated 19th June, 1962 that the entire crew needed for the M.P.V. VENU was to be appointed on a provisional basis and was subject to revision and as the entire crew was on experimental and temporary basis Shri N. G. Patil the aggrieved employee can have no claim to the post.

9. It is contended that the fact of his having been a temporary or officiating employee is very clear from the monthly pay sheet as well as the wage slips issued to him under the Minimum Wages Act. Moreover Shri Patil had passed the first-class wireman's certificate examination of the P.W.D. only in the month of July 1962 that is after 18th June 1962 the last date for receiving the applications and he did not even possess the requisite qualification on the relevant date. As regards the application of Shri Bendkhale it is submitted that he had put in his application on 11th June 1962 well within the last date for the receipt of the applications but it had mysteriously disappeared from the section of the head time keeper. The fact that he had put in his application for the said post was also borne out by the statement dated 13th December, 1963 of Shri K. F. Rabadi, Charge-man, Electrical Establishment, Northern Division, Wadala of the Chief Engineer's Department. Clearly he had made the application and he had a superior claim to the post of electrician on the M.P.V. VENU as against the claim of Shri N. G. Patil who was merely a wireman.

10. According to the employers Shri N. G. Patil who was a wireman was not eligible even to apply for the post of electrician on the M.P.V. VENU and the mere fact that the application of Shri Bendkhale had disappeared could not extinguish his superior claim for the appointment of electrician on the pilot vessel in preference to Shri N. G. Patil. They have denied the allegations about favouritism to the B.P.T. Employees' Union in the matter of promotion and have contended that Shri Patil was wrongly appointed as electrician on the pilot vessel as against the superior claim of Shri Bendkhale. It has been further contended that the appointments of Shri N. G. Patil and V. D. Taralkar were made on an *ad hoc* basis as a stop gap arrangement to meet with the requirements and cannot be considered as permanent appointments or appointments made through the regular process of selection only at a later stage. The employers had realised that

Shri Bendkhale had a superior claim over that of Shri N. G. Patil and the General Manager had taken a just and proper decision in appointing Shri D. D. Bendkhale as electrician and in reverting Shri N. G. Patil; that it was neither any unfair labour practice nor nepotism or favouritism. On the contrary the injustice caused was undone and the promotion of Shri D. D. Bendkhale was justified.

11. The reference pertains to a dispute regarding the promotion of an employee and so the Legal Adviser on behalf of the management has contended that as promotion is only a managerial function this Tribunal has no jurisdiction to deal with the same. He has relied upon the ruling reported in Brooke Bond case 1963 ILJ p.256 and has argued that the dispute involves a pure question of promotion and it will not be open to this Tribunal to adjudicate upon it. I have already quoted the terms of the reference in the schedule by which this Tribunal has been asked to decide the question whether the promotion of Shri D. D. Bendkhale to the post of electrician grade I on M.P.V. VENU in place of Shri N. G. Patil is justified and for deciding the same the Tribunal shall have to consider the comparative merits and other factors of the two candidates. However, I do not think that on that account only the matter will be taken out of the jurisdiction of the Tribunal. In the very ruling Brooke Bond case relied upon by the management the question involved was one of promotion and their Lordships have given the general formula in respect of promotions in the following terms:—

"All things being equal seniority shall count for promotion. If the senior person has been overlooked in the question of promotion he is at liberty to ask the concern for reason why he has been overlooked in which case the concern shall give him the reasons."

In this ruling it has been further observed:—

"It is true that though promotions would normally be a part of the management's function if it appears that in promoting one employee in preference to another the management has been actuated by malicious considerations or that the failure to promote one eligible person amounts to an unfair labour practice, that would be a different matter. But in the absence of *mala fides* normally it must be left to the discretion of the management to select which of the employees should be promoted at a given time subject of course to the formula to which we have just referred."

From these observations it is clear that though promotion is the function of the management the Tribunal can in certain cases transfer in the action taken by the management and I shall now discuss the evidence about the relative merits of the candidates and whether there was any unfair labour practice or *mala fides* in the promotion of Shri Bendkhale.

12. The employers had by their order transferred Shri N. G. Patil to the electrical department and had promoted Shri D. D. Bendkhale to the post of electrician grade I on the M.P.V. VENU after which the B.P.T. General Workers' Union had made representations to the management on behalf of Shri N. G. Patil contending that Shri N. G. Patil was appointed to the post of electrician grade I on the VENU with effect from 14th August, 1962. He was working against the permanent post on the vessel continuously and as the General Manager Shri Simoes was favourably inclined towards the B.P.T. Employees' Union he ignored the requirements of the law and immediately issued orders for the reversion of Shri N. G. Patil and the promotion of Shri D. D. Bendkhale on the pilot vessel; and the Bombay Port Trust was guilty of practising discrimination and encouraging inter-union rivalries, and thereby provoking trade disputes. I have already observed that both Shri D. D. Bendkhale and Shri N. G. Patil were in the employ of the Port Trust and were working in the electric department. It is not in dispute that the electric foreman had issued a notice inviting applications for the post and the last date for the receipt of applications was 18th June, 1962. It is also not in dispute that long before this notice Shri D. D. Bendkhale was working as electrician grade II and was holding the requisite qualification for the appointment to the post of electrician grade I. It is clear from the record that he had passed the examination for the first class certificate for P.W.D. in the year 1960 and was qualified for the appointment while Shri N. G. Patil was working merely as a wireman on the day when the notice inviting the applications for the post was issued. At that time he had only appeared for the examination of the first-class wireman's certificate. Exhibit 5 which is the certificate produced by him is dated 17th July, 1962 and it is clear that till the last date for submission of applications for the post Shri Patil did not have even the necessary qualification for making an application and being appointed to the post.

13 It is not in dispute that the channel of promotion in the engineering and port department is that an assistant wireman is to be promoted as wireman and the wireman is thereafter promoted as electrician grade II who will be further eligible to be promoted as electrician grade I on the Pilot Vessel. It is clear from the extract exhibit E-3 that the method of recruitment of electrician on the M.P.V. VENU is by promotion of an electrician grade II on the basis of seniority-cum-suitability. It is further clear that only a person who holds a first class certificate P.W.D. and is working as an electrician grade II is eligible for promotion to the post of electrician on the pilot vessel. Considering these requirements it is clear that Shri D. D. Bendkhale was eligible for promotion subject to other conditions regarding seniority and suitability.

14. However, the case of Shri N. G. Patil is quite different. I have already observed that he had not the necessary qualification for appointment to the post of electrician grade I. Not only he was not qualified but as he was not working as electrician grade II he was also not eligible for that promotion. Shri D. D. Bendkhale was working as electrician grade I. He was senior, qualified and eligible and it shall have to be held that Shri Bendkhale had far superior claims to the post in comparison to the claim of Shri N. G. Patil. In fact considering the requirement it shall have to be held that Shri Patil had absolutely no claim to the post. He was neither qualified for making the application nor was he eligible. He was not also senior and it is very surprising that the officer concerned should forward his name overriding the claims of others.

15 Shri S. Maitra the General Secretary of the Bombay Port Trust General Workers' Union has contended that according to the notification the management had thrown upon the post to wiremen as well as electricians grade II. Shri Patil was a wireman and had made the application. He was selected and was also appointed to the post and had worked there about a year and a half and the subsequent action of the management in reverting him and promoting Shri Bendkhale was not justified. I do not find any substance in the contention. Considering the notice issued by the management it cannot be said that the post of the electrician grade I on the M.P.V. VENU was thrown open even to wiremen. I have already mentioned from the extracts exhibit E-3 the method of recruitment to the post of electrician grade I on the Pilot Vessel which shows that it is by promotion of the electrician grade II on the basis of seniority-cum-suitability. It cannot be read in the notice exhibit E-1 that the post of electrician grade I on the vessel was thrown open to wiremen. It is significant to remember that by the notice applications were invited for two categories of appointments—one for the post of electrician grade I and one for the post of wireman. The notice reads: -

'Applications are invited for two posts of electricians grade I (Rs. 125—6—155—EB—6—185 (C.C. scale) equivalent Second Pay Commission: scale Rs. 175—6—205—7—240 and one post of wireman grade (1) Rs. 76—5—105, (2) 100—5—150 (C & C scale) equivalent Second Pay Commission Grade (1) Rs. 125—3—131—4—155, (2) Rs 150—5—180 for Pilot Vessel D.P.V. VENU belonging to the Deputy Conservator from electricians and wireman or assistant wiremen of both the electrical sections possessing requisite qualifications.'

This notice shows that the assistant wireman was to apply for the post of wireman and the contention that even assistant wiremen could have applied for the post of electrician grade I does not stand to reason.

16 The contention that Shri Patil was appointed on regular selection after the applications is not also supported by any record. The management has contended that it was an *ad hoc* appointment. It appears that there was neither any test nor any interview and Shri Patil was transferred from the engineering department to the Port Department. I have already observed that the last date for submitting applications as per the notice was 18th June, 1962. It is not in dispute that Shri Patil had not made any application for the post before this date. It is clear from exhibit E-6 that he first made an application on 19th July, 1962 and the second application on 26th July, 1962. His first application is for the post of electrician 2nd grade and by the second application he had requested that he should be appointed as electrician on the M.P.V. VENU. These applications cannot be said to have been made in the regular course as per the notification and it appears that after the expiry of the date the officer concerned took these applications from Shri Patil and considered his case with special favour. Neither the B.P.T. General Workers' Union nor Shri Patil has produced the order of his appointment to the post of electrician grade I on M.P.V. VENU and it has been argued that no order was issued to him but only a memo was sent. The employers have produced the

letter of the Mechanical Superintendent to the Deputy Conservator dated 11th August, 1962 exhibit E-2 in which he has stated:—

"In continuation of my above I have to inform you that Shri Narayan Ganpat Patil wireman electrical establishment S.D. who holds the necessary qualification of first-class P.W.D. supervisor's certificate prescribed for the post of electrician is being directed to report to you from 13th August, 1962 for appointment in the vacant post of electrician on the above vessel for which he has put in an application to the undersigned."

No appointment order had been issued to Shri Patil and there is no reason to disbelieve the management's contention that the appointment of Shri N. G. Patil was on an *ad hoc* basis by mere transfer and the contention of the Bombay Port Trust General Workers' Union that he was regularly selected and was appointed to the permanent post cannot be accepted.

17. The B.P.T. Employees' Union has contended that not only Shri D. D. Bendkhale was qualified for appointment to the post of electrician grade I on the M.P.V. VENU but he had also made an application in time. According to them his application was suppressed and the officer favouring Shri Patil appointed him. It is clear that Shri Bendkhale made a representation and a complaint to the management in October 1963 when he was posted at the M.P.V. VENU in the leave vacancy. After this complaint the management had made enquiries about his original application and it is clear from the statement of Shri Rabadi dated 13th December, 1963 that Shri Bendkhale had made an application. It is also clear that he had made a note about that application in the muster book. Shri Rabadi is a chargehand at Wadala. Shri Shetye for the B.P.T. Employees' Union has contended that Shri Rabadi is a member of the B.P.T. General Workers' Union and he would not tell a lie in favour of Shri Bendkhale who was a member of the rival employees' union. The statement of Shri Rabadi given in 1963 proves that Shri Bendkhale had made the application within time. Shri Bendkhale had the necessary qualification. He had made the application and it is clear that he was also entitled to get the post in preference to Shri Patil.

18. It is true that Shri N. G. Patil worked at the post to which he was transferred from 14th August, 1962 to June 1963. However, this circumstance in itself will not entitle him to any claim to that post. I have already observed that no order of appointment has been issued in favour of Shri Patil. If we consider the terms and conditions of service stated in the notice it is clear that the appointment was to be on a temporary basis. In the notice itself it has been stated—

"The selection will be made from candidates possessing requisite qualifications according to the seniority.

The selected employees will be required to carry out their duties as per service condition shown below and as may be changed or required by the Dy. Conservator from time to time.

The selected candidates will be appointed on a temporary basis in the first instance. They may however be posted permanently if found suitable and will be transferred to the Dy. Conservator Department. On such transfer being effected such employees will have no lien or claim for promotion to higher posts in the electrical section."

Thus it is clear that the appointment of the selected candidate also would be on a temporary basis. Secondly, the post itself was of a temporary nature. I have already observed that the trustees of the Port of Bombay had commissioned the vessel M. P. V. Venu and had sanctioned some staff on a provisional basis. The excerpts from the proceedings of the meeting of the trustees held on 19th June 1962, exhibit E-7 para 25 states:—

"It is expected that there will consequently be scope for an appreciable reduction in the crew of the M. P. V. Venu after sufficient experience has been gained on working it. Accordingly all staff proposals are provisional and are subject to review...."

Thus it is clear that the post itself was temporary. The appointment was also to be made on a temporary basis and the contention of the B.P.T. General Workers' Union that Shri Patil was working against a permanent post does not stand to reason and in view of the temporary nature of the post Shri Patil cannot be said to have any claim over it. The learned Legal Adviser has invited my attention to the Supreme Court ruling reported in 1967 1 LLJ page 708(712). It has been held by this Court that when a first appointment or promotion is made on

probation for a specific period and the employee is allowed to continue in the post after the expiry of the said period without any specific order of confirmation he continues as a probationer only and acquires no substantive right to hold the post. In view of this ruling also it shall have to be held that Shri Patil had no claim of permanency over the post and the management had every right to transfer him to the original department.

19. The General Secretary of the Bombay Port Trust General Workers' Union has very seriously criticised the conduct of the management in promoting Shri Bendkhale and has alleged that the General Manager had practised discrimination and encouraged inter-union rivalry. It has been argued that Shri Patil belonged to the B.P.T. General Workers' Union while Shri Bendkhale was a member of the B.P.T. Employees' Union and as the General Manager Shri Simoes was favourably inclined to the B.P.T. Employees' Union he favoured Shri Bendkhale and promoted him to the post in place of Shri Patil. Shri Shetye the General Secretary of the B.P.T. Employees' Union has contended that both Shri Patil and Shri Bendkhale were members of his union but after the representation of Shri Bendkhale against Shri Patil Shri Patil left the B.P.T. Employees' Union and joined the B.P.T. General Workers' Union and there was no question of encouragement of interunion rivalry by the management. He has further argued that Shri Bendkhale had a superior claim to the post. Shri Patil was ineligible and unqualified and was appointed to the post even though he had not made any application in time. The management had merely undone the injustice that was caused to Shri Bendkhale because of the loss of his application and there was no question of any favouritism. In view of the circumstance that both Shri Bendkhale and Shri Patil formerly belonged to the B.P.T. Employees' Union and that Shri Patil joined the B.P.T. General Workers' Union subsequently after the complaint by the Employees' Union on behalf of Shri Bendkhale I do not find any substance in the grievance that the management was indulging in inter-union rivalry or was showing favouritism. Had the management been favouring the B.P.T. Employees' Union Shri Bendkhale would not have been required to suffer for such a long time in the whole affair.

20. I have already discussed the merits of the two candidates whose promotion is the subject matter of this reference. There is overwhelming evidence to show that Shri Bendkhale had superior claims to Shri Patil for the post of electrician grade I, on the M.P.V. Venu. The circumstances also clearly show that though Shri Patil did not even make an application some officer who was interested in him had favoured him by taking the application and transferring him to the Deputy Conservator's Department. The claims of Shri D. D. Bendkhale were ignored and by the subsequent order the management had undone the injustice caused to him. There is no question of any unfair labour practice or *mala fides* in the promotion of Shri Bendkhale and the action of the management in promoting Shri Bendkhale is justified. In view of this finding the question of any relief to Shri N. G. Pati does not arise. Hence my award accordingly.

S.O. 1996.—Whereas the Central Government was satisfied, that Nadia Textile Mills was situated in Ranaghat area which was a sparse area (that is, an area whose insurable population was less than 500) in the district of Nadia in the State of West Bengal;

And, whereas by virtue of its location in a sparse area, the aforesaid factory was granted exemption from the payment of employers' special contribution under section 73-F of the Employees' State Insurance Act, 1948 (34 of 1948), until enforcement of the provisions of Chapter V of the Act in that area by the Central Government in the notification of the Government of India in the late Ministry of Labour and Employment No. 6(83)/63.HI dated the 22nd March, 1963;

And, whereas the Central Government is satisfied that the insurable population of the Ranaghat area in the district of Nadia in the State of West Bengal has now exceeded 500, and it is no longer a sparse area;

Now, therefore, in exercise of the powers conferred by section 73-F of the Employees' State Insurance Act, 1948 (34 of 1948), the Central Government hereby makes the following further amendment in the said notification, namely:—

In the Schedule appended to the said notification in the entries relating to serial No. 9, the entry "Ranaghat" in column 3 and the corresponding entries in column 4 shall be omitted.

[No. F.6(38)/68-HI.I]

S.O. 1997.—Whereas the Central Government was satisfied that 1 Lalit Chandra Silpa Samabaya Samiti Ltd. 2 Modern Industrial Cooperative Society Ltd. 3 Nutangram Industrial Cooperative Society Ltd. 4 Nalini Ranjan Cooperative Textile Society Ltd. 5 Debendra Nath Cotton Mills, were situated in Ranaghat area which was a sparse area (that is, an area whose insurable population was less than 500) in the district of Nadia in the State of West Bengal;

And, whereas by virtue of their location in a sparse area, the aforesaid factories were granted exemption from the payment of employers' special contribution under section 73-F of the Employees' State Insurance Act, 1948 (34 of 1948), until enforcement of the provisions of Chapter V of the Act in that area by the Central Government in the notification of the Government of India in the late Ministry of Labour and Employment No. S.O. 2587 dated the 4th September, 1963;

And, whereas, the Central Government is satisfied that the insurable population of the Ranaghat area in the district of Nadia in the State of West Bengal has now exceeded 500, and it is no longer a sparse area;

Now, therefore, in exercise of the powers conferred by section 73-F of the Employees' State Insurance Act, 1948 (34 of 1948), the Central Government hereby makes the following further amendment in the said notification namely:—

In the Schedule appended to the said notification, serial No. 3 and the entries relating thereto shall be omitted.

[No. F. 6(38)/68-HI.III.]

S.O. 1998.—Whereas the Central Government was satisfied that M/s. Ranaghat Textile Mills No. 2 was situated in Ranaghat area which was a sparse area (that is, an area whose insurable population was less than 500) in the district of Nadia in the State of West Bengal;

And, whereas by virtue of its location in a sparse area, the aforesaid factory was granted exemption from the payment of employers' special contribution under section 73-F of the Employees' State Insurance Act, 1948 (34 of 1948), until enforcement of the provisions of Chapter V of the Act in that area by the Central Government in the notification of the Government of India in the Ministry of Labour, Employment & Rehabilitation, (Department of Labour and Employment) No. S.O. 3863 dated the 8th December, 1966;

And, whereas the Central Government is satisfied that the insurable population of the Ranaghat area in the district of Nadia in the State of West Bengal has now exceeded 500, and it is no longer a sparse area;

Now, therefore, in exercise of the powers conferred by section 73-F of the Employees' State Insurance Act, 1948 (34 of 1948), the Central Government hereby makes the following further amendment in the said notification, namely:—

In the Schedule appended to the said notification, in the entries relating to Serial No. 6, the entry "Ranaghat" in column 3 and the corresponding entries in column 4 shall be omitted.

[No. F.6(38)/68-HI.III.]

S.O. 1999.—Whereas it appears to the Central Government that the employer and the majority of the employees in relation to the establishment known as Messrs I.T.T. Far East and Pacific Inc. Allahabad Bank Building, 17, Parliament Street, New Delhi, have agreed that the provisions of the Employees' Provident Funds Act, 1952 (19 of 1952), should be made applicable to the said establishment;

Now, therefore, in exercise of the powers conferred by sub-section (4) of section 1 of the said Act, the Central Government hereby applies the provisions of the said Act to the said establishment

This notification shall be deemed to have come into force on the 31st March, 1967.

[No. 8/31/68-PF-II.]

New Delhi, the 3rd June 1968

S.O. 2000.—In exercise of the powers conferred by sub-section (1) of section 13 of the Employees' Provident Funds Act, 1952 (19 of 1952), the Central Government hereby appoints Shri Y. A. Bhujade to be an Inspector for the whole of the State of Madhya Pradesh for the purposes of the said Act and of any Scheme framed thereunder, in relation to any establishment belonging to, or under the control of, the Central Government, and in relation to any establishment connected with a railway company, a mine or an oil field or a controlled industry.

ORDER

New Delhi, the 26th April 1968

S.O. 2008.—A licence No. P/SS/1606383/C/XX/23/CD/23-24 dated 15th April 1967 of the value of Rs. 33,859 for import of Copper, Zinc and Tin was issued to M/s. Sukan Chand Nanhey Mal, Mohalla Loharan, Jagadhri subject to the condition that the goods imported against this licence shall be used only in licence holder's factory and no portion thereof shall be sold to any other party or utilized or permitted to be used in any other manner.

2. Thereafter, a show cause notice No. S-39/67|ENF|CLA|5121 dated 29th February 1968 was issued asking them to show cause within 15 days of the issue of this notice as to why the said licence in their favour should not be cancelled on the ground that the Central Government was satisfied that the licence would not serve the purpose for which it had been granted, in terms of Clause 9, sub-clause (cc).

3. The said show cause notice has been received back undelivered in this office with the remarks of the postal authorities "Intentionally refused".

4. Having regard to what has been stated in the preceding paragraph, the undersigned is satisfied that the licence in question should be cancelled or otherwise rendered ineffective. Therefore, the undersigned, in exercise of the powers vested in him under Clause 9, sub-clause (CC) of the Imports (Control) Order, 1955 hereby cancel the licence No. P/SS/1606383/C/XX/23/CD/23-24 dated 15th April 1967 for Rs. 33,859 issued in favour of M/s. Sukan Chand Nanhey Mal, Mohalla Loharan, Jagadhri.

ORDER

Calcutta, the 26th April 1968

S.O. 2010.—A licence No. P/SS/1574927/C/XX/23/C/C/23-24/NF dated the 24th April, 1967 of the value of Rs. 17,554/- for import of Zinc and Tin was issued to M/s. Agrason Metal Industries, 9, Gopal Chandra Chatterjee Road, Calcutta-2 subject to the conditions as under:—

- (a) all items of goods imported under it shall be used only in the licence holder's factory and no portion thereof will be sold to or be permitted to be utilised by any other party.

2. Thereafter, a show cause notice No. 117/67/E&L dated 19th March, 1968 was issued asking them to show cause within 15 days as to why the said licence in their favour should not be cancelled on the ground that the factory of the firm has been closed for more than one year and they have committed a breach of condition of licence in terms of Clause 9, sub-clause (C).

3. No response to the aforesaid show cause notice from M/s. Agrason Metal Industries, 9, Gopal Chandra Chatterjee Road, Calcutta-2 had been received.

4. The undersigned has carefully examined the case and has come to the conclusion that the purpose for which licence in question was issued would not be served.

5. Having regard to what has been stated in the preceding paragraph, the undersigned is satisfied that the licence in question should be cancelled or otherwise rendered ineffective. Therefore, the undersigned, in exercise of the powers vested in him under Clause 9 sub-clause (C) of the Imports (Control) Order, 1955 hereby cancel the licence No. P/SS/1574927/C/XX/23/C/C/23-24/NF dated 24th

(Office of the Chief Controller of Imports and Exports)

ORDER

New Delhi, the 24th May 1968

S.O. 2011.—M/s. K. B. Thaker & Co., 110, Commerce House, 140, Meadows Street, Bombay-1 were granted an import licence No. P/NA/AD/2016837/C/XX/24/C/H/21-22/NQQ dated 21st March, 1967 for Rs. 15,866/- (Rupees Fifteen Thousand Eight Hundred and Sixty Six only.) for the import of motor vehicle parts etc. as per list attached thereto. The licensee has now applied to this office for the issue of a duplicate Customs Purposes copy of the said licence on the ground that the original Customs Purposes copy of the licence in question, has been misplaced/lost. It is further stated that the original Customs Purposes copy of the licence has been registered with Bombay Port Customs House and has been utilised to the extent of Rs. 3,966/-. The duplicate Customs Purposes copy of the licence now required by the licensee is for the value of Rs. 11,900/-.

In support of their contention the licensee have filed an affidavit. I am accordingly satisfied that the original Customs Purposes copy of the said licence has been lost. Therefore, in exercise of the powers conferred under sub-clause 9(CC) of the Imports (Control) Order, 1955 dated 2nd December, 1955 (as amended), the original Customs Purposes copy of the licence No. P/NA/AD/2016837/C/XX/24/C/H/21-22/NQQ dated 21st March, 1967 issued to M/s. K. B. Thaker & Co., 110, Commerce House, 140, Meadows Street, Bombay-1. is hereby cancelled.

A duplicate Customs Purposes copy of the said licence is being issued.

ORDER

New Delhi, the 28th May 1968

S.O. 2012.—A licence No. P/RM/2155655/C/XX/24/C/H/23-24 dated 30th December, 1966 of the value of Rs. 4,15,000/- for import of Raw Materials/Components as per list attached to the licence was issued to M/s. Kamdar Rayons, Sarangpur Chakla, Ahmedabad (Gujrat State).

2. Thereafter, a show cause notice No. 10(9)/68-Vig/1350 dated 13th May, 1968 was issued asking them to show cause within ten days as to why the said licence in their favour should not be cancelled on the ground that the same was obtained on the basis of forged recommendation of the Directorate General of Technical Development in terms of Clause 9.

3. The aforesaid show cause notice, was received back undelivered from the Postal authorities with the remark 'Not known'.

4. The undersigned has carefully examined the case and has come to the conclusion that the said licence has been obtained on the basis of false and fabricated documents and the licence holders are avoiding the show cause notice.

5. Having regard to what has been stated in the preceding paragraph, the undersigned is satisfied that the licence in question should be cancelled or otherwise rendered ineffectual. Therefore, the undersigned in exercise of the powers vested in him under Clause 9(c) of the Imports (Control) Order, 1955 hereby cancel the licence No. P/RM/2155655/C/XX/24/C/H/23-24 dated 30th December, 1966 for

Rs. 4,15,000/- issued in favour of M/s. Kamdar Rayons, Sarangpur Chakla, Ahmedabad (Gujrat State).

MINISTRY OF INDUSTRIAL DEVELOPMENT AND COMPANY AFFAIRS

(Department of Industrial Development)

ORDER

New Delhi, the 27th May 1968

S.O. 2034/IDRA/18G/68.—In exercise of the powers conferred by sections 18G and 25 of the Industries (Development and Regulation) Act, 1951 (65 of 1951), and all other powers enabling it in that behalf, the Central Government hereby makes the following Order further to amend the Cement Control Order, 1967:—

1. This Order may be called the Cement Control (Fourth Amendment) Order, 1968.

2. In the Cement Control Order, 1967, for clause 9, the following clause shall be substituted, namely:—

“9. *Payments to Cement Regulation Account.*—Every producer shall, in respect of each transaction by way of sale of cement effected by him, pay within one month of the close of the month in which sales take place, to the Controller, an amount equivalent to the amount, if any, by which free on rail destination price of such cement released by him exceeds the aggregate of the following amounts, namely:—

- (i) the ex-factory price of such cement calculated in accordance with the rates specified in the Schedule;
- (ii) a selling agency commission calculated at the rate of Rs. 1.25 per tonne;
- (iii) the excise duty paid thereon; and
- (iv) in the case of packed cement, the charges fixed by the Central Government in respect of the packing or the containers under the first proviso to clause 8:

Provided that the expenditure incurred by the producer on freight by the cheapest mode of transport or where any other mode of transport has been specified by the Central Government under 4, by such mode of transport in respect of such transactions shall be reimbursed to the producer by the Controller from out of the Cement Regulation Account referred to in clause 11.

Provided further that nothing contained in this clause shall apply to the cement moved out of the factories prior to the 1st day of January 1968 but sold after that date”.

THE SCHEDULE

Sl. No.	No. and Title of the Indian Standard Established	[No. and Title of the Indian Standard or Standards, if any, superseded by the new Indian Standard	Brief Particulars
(1)	(2)	(3)	(4)
1	IS:419-1967 Specification for putty, for use on window frames (<i>first revision</i>)	(i) IS:419-1953 Specification for putty, for use on wooden frames, and (ii) IS:420-1953 Specification for putty, for use on metal frames.	This standard prescribes the requirements and the methods of sampling and test for putty for use in fixing glass panes on wood and metal frames and for filling splits, cracks and holes in wood or metal. (Price Rs. 2.00)
2	IS:704-1968 Specification for crow-bars and claw-bars (<i>first revision</i>).	IS:704-1957 Specification for crow-bars and claw-bars.	This standard covers the requirements for crow-bars and claw-bars. (Price Rs. 4.00)
3	IS:846-1968 Specification for smith's flatters (<i>first revision</i>)	IS:846-1956 Specification for smith's flatters.	This standard covers the requirements for smith's flatters. (Price Rs. 3.50)

(1)	(2)	(3)	(4)
4	IS:949-1967 Specification for emergency tender for fire brigade use and rescue tender for general purposes (<i>first revision</i>).	IS:949-1959 Specification for emergency tender for fire brigade use.	This standard lays down requirements regarding material design and construction, workmanship and finish, accessories and equipment and acceptance tests of emergency tender for fire brigade use and rescue tender for general purposes. (Price Rs. 6.00).
5	IS:1550-1967 Specification for copper sheet and strip for utensils and for general purposes (<i>first revision</i>)	IS:1550-1960 Specification for copper sheet and strip for the manufacture of utensils and for the general purposes.	This standard covers the requirements for the following two grades of copper sheet and strip suitable for the manufacture of household utensils and general building purposes : (a) Grade 1 Copper sheet and strip for pressing quality; and (b) Grade 2 Copper sheet and strip for hand worked articles and general purposes. (Price Rs. 3.50).
6	*IS:1822-1967 Specification for ac motor starters of voltage not exceeding 1000 volts (<i>first revision</i>).	IS:1822-1961 Specification for motor starters voltages up to 650 volts.	This standard covers motor starters and their accessories intended for manual or automatic operation including starting, accelerating and switching off, of ac motors of rated voltages not exceeding 1000 volts. It applies to resistors and auto-transformers when used in conjunction with motor starters, and also to motor switches. (Price Rs. 10.00).
7	IS:1885 (Part XIII/Sec I)-1968 Electrotechnical vocabulary Part XIII Telecommunication Transmission lines and waveguides Section I General transmission lines.	..	This standard covers terms to transmission lines for use in electronic and telecommunication equipment and circuits. (Price Rs. 3.50).
8	IS:3400 (Part VII)-1967 Methods of test for vulcanized rubber Part VII Resistance to flex-cracking.	..	This standard prescribes a procedure for comparing the resistance of rubbers to the formation of cracks when subjected to repeated flexing or bending under specified conditions and known periods on the De Mattia type machines. (Price Rs. 4.00).
9	IS:3700 (Part III)-1967 Essential ratings and characteristics of semi-conductor devices Part III Rectifier diodes.	..	This standard covers essential ratings and characteristics and other information to be specified in the case of individual semi-conductor rectifier diodes. (Price Rs. 2.50).

(1)	(2)	(3)	(4)
10	IS:4246-1967 Specification for domestic gas stoves for use with liquified petroleum gases.	..	This standard specifies construction, operation, safety requirements and tests for domestic gas stoves intended for use with liquefied petroleum gases at 30 g/cm ² gas inlet pressure. (Price Rs. 8'00)
11	IS:4418-1967 Guide for care-labelling of textiles for laundering and dry-cleaning	..	This standard prescribes the system for the care-labelling of textiles and textile article to afford guidance concerning the precautions, if any, to be observed in the laundering or dry-cleaning of such articles. (Price Rs. 2'50). ³
12	IS:4427-1967 Grading for groundnut kernels for oil milling and for table use.	..	This standard prescribes the methods of grading and the requirements for groundnut kernels for oil milling and for table use, along with the relevant methods of sampling and test. (Price Rs. 3'50).
13	IS:4431-1967 Specification for carbon and carbon-manganese free-cutting steels.	..	This standard covers the requirements for carbon and carbon manganese free-cuttings teels supplied in the form of blooms, billets and (Price Rs. 5'00).
14	IS:4441-1967 Code of practice for use of silicate type chemical resistant mortars.	..	This standard provides recommendations for the storage mixing and use of silicate type chemical resistant mortars for bonding chemical resistant masonry units in order to obtain the optimum chemical resistance and physical strength of the mortar. bars. (Price Rs. 2'50).
15	IS:4464-1967 Code of practice for presentation of drilling information and core description in foundation investigation.	..	This standard gives recommended proformas for keeping drill records, and for presenting drilling information relating to foundation investigations for river valley projects. (Price Rs. 4'00).
16	IS:4465-1967 Specification for metal heald frames for flat steel healds.	..	This standard prescribes requirements regarding shapes, dimensions and materials for metal heald frames for flat steel healds. (Price Rs. 3'50). ¹
17	IS:4470-1967 Specification for all-metal leasing reeds for wrapping.	..	This standard prescribes the requirements for all-metal leasing reeds for use in cotton and silk wrapping machines. (Price Rs. 2'00).

1	2	3	4
18	IS:4473-1967 Specification for gas ovens for use with liquefied petroleum gases, domestic.	..	This standard specifies construction, operation, safety requirements and tests for domestic ovens of capacity not exceeding 100 dm ³ , intended for use with liquefied petroleum gases at 30 gs/cm ² gas inlet pressure. (Price Rs. 8.00).
19	IS:4475-1967 Specification for crane-suspended hand-operated geared ladles for iron foundries.	..	This standard covers the requirements for crane-suspended hand-operated geared ladles (both tapered and straight shell design) suitable for iron foundries. (Price Rs. 7.00).
20	IS:4476-1967 Specification for crane-suspended hand-operated geared ladles for steel foundries.	..	This standard covers the requirements for crane-suspended hand-operated geared ladles (of both straight and tapered shell designs) suitable for steel foundries which are generally supplied either: (a) for bottom pouring, (b) for lip-pouring, or (c) with teapot spout, or suitable combinations of these. (Price Rs. 6.00).
21	IS:4497-1968 Specification for 16-mm portable sound-and-picture cinematograph projectors.	..	This standard lays down the safety and performance requirements of 16-mm portable sound-and-picture cinematograph projectors with optical or magnetic sound systems or both. (Price Rs. 3.50).
22	IS:4499-1968 Dimensions for depth of holes for studs.	..	This standard specifies the dimensions for depth of holes for studs conforming to IS:1862-1967. (Price Rs. 1.50).
23	IS:4501-1967 Specification for aprons, rubberized, acid and alkali resistant.	..	This specification prescribes requirements for acid and alkali-resistant rubberized aprons. (Price Rs. 2.50).
24	IS:4502-1968 Specification for machine vices.	..	This standard covers the interchangeability dimensions general requirements and permissible errors of push or pull type machine vices with fixed or swivel base. (Price Rs. 4.00).
25	IS:4505-1968 Specification for sodium formaldehyde sulphonylate.	..	This standard prescribes the requirements and the methods of sampling and tests for sodium formaldehyde sulphonylate dihydrate which is also known commercially as sodium sulphonylate formaldehyde. (Price Rs. 5.00).

(1)	(2)	(3)	(4)
26	IS:4507-1968 Specification for yacht ropes.	..	This standard covers requirements for galvanized and stainless steel wire ropes, and stainless steel wire strands for yachts. (Price Rs. 4.00).
27	IS:4508-1968 Specification for shortened single ended open jaw spanners.	..	This standard covers the requirements for forged, shortened single ended open jaw spanners for general purposes. (Price Rs. 3.50).
28	IS:4509-1968 Specification for shortened single ended ring spanners.	..	This standard covers the requirements for two types of forged shortened single ended ring spanners. (Price Rs. 3.50).
29	IS:4510-1968 Specification for horizontal cylindrical high speed steam sterilizers, pressure type.	..	This standard specifies requirements for non-automatic, jacketed, pressure steam sterilizers of horizontal cylindrical type, primarily intended for emergency sterilization of unwrapped surgical instruments within six minutes. (Price Rs. 4.00)

Copies of these Indian Standards are available, for sale, with the Indian Standards Institution, Manak Bhavan, 9 Bahadur Shah Zafar Marg, New Delhi-1 and also its branch offices at (i) Bombay Mutual Terrace, Sandhurst Bridge, Bombay-7, (ii) Third and Fourth Floors, 5 Chowringhee Approach, Calcutta-13, (iii) Second Floor, Sathyamurthi Bhavan, 54 General Patters Road, Madras-2 and (iv) 117/418B, Sarvodaya Nagar, Kanpur.

CUSTOMS

New Delhi, the 8th June 1968

S.O. 2046.—In exercise of the powers conferred by sub-section (2) of section 79 read with sub-section (3) of section 160 of the Customs Act, (52 of 1962), the Central Government hereby makes the following rules to further amend the Ceylon Baggage Rules published with the notification of the late Central Board of Revenue No. 31-Customs, dated the 30th August, 1930, namely:—

1. These rules may be called the Ceylon Baggage (Amendment) Rules, 1968.
2. In the Ceylon Baggage Rules, for rule 4, the following rule shall be substituted, namely:

“4. Notwithstanding anything to the contrary in rule (1) and subject to the exceptions specified in rule (2), the unaccompanied baggage of a passenger may be passed free if imported within seven working days before or after his arrival:

Provided that the proper officer may pass free any unaccompanied baggage imported before or after the said period if he is satisfied that there are sufficient grounds for not importing the said baggage within the period aforesaid.”

[No. 85/F.No. 10/6/68-LC.II.]

CENTRAL BOARD OF DIRECT TAXES

INCOME-TAX

New Delhi, the 22nd May 1968

S.O. 2050.—In exercise of the powers conferred by sub-section (1) of section 122 of the Income-tax Act, 1961 (43 of 1961) and of all other powers enabling it in that behalf, the Central Board of Direct Taxes hereby makes the following further amendments in the Schedule appended to its Notification No. 107(F.No. 50/5/66-ITJ), dated the 27th October, 1966, namely:

In the said Schedule against Rohtak Range under column 2, the following entries shall be substituted, namely:

- Rohtak. 1 All Income-tax Circles, Wards or Districts having headquarters at:—
- (i) Rohtak.
 - (ii) Gurgaon.
 - (iii) Sonapat.
 - (iv) Hissar.
 - (v) Faridabad.
2. Special Survey Circle, Patiala (in respect of persons who have their principal place of business in or reside in the Districts of Rohtak, Gurgaon and Hissar).

This notification shall take effect from 23rd May, 1968.

Explanatory Note

The amendment has become necessary on account of creation of a new Circle at Faridabad.

(The above note does not form part of the notification but is intended to be merely clarificatory).

[No. 41(F. No. 50/10/68-ITJ).]

New Delhi, the 23rd May 1968
